

TRANSIT RETREAT

Country Roads

Charleston, WV

May 19-20, 2027

In the 6th year of this event, the Transit Retreat heads to the Historic Riverfront City of Charleston, WV. We will bring together over 45+ unique transit providers focusing on Rural, Demand Response and Small Urban providers from across the nation for 2 days of low-stress informational sessions and networking with Peers, Vendors and National Partners.

Post Retreat survey responses indicate that 98% of attendees would attend a future Retreat and that over 90% rated the format for sessions and vendor interaction as excellent.

From a vendor partner perspective, this is not an Expo. Vendors are fully integrated into the Retreat from start to finish. Vendors are encouraged to take part in all the networking events and attend sessions. Each sponsorship level includes participation in the Rapid-Fire Vendor intro session, logo recognition before and during the Retreat and full access to all sessions and networking events.

Sponsorship levels for 2027:

Sponsorship	# Available	Total Investment	Benefits
Anchor	SOLD OUT		speaking session on agenda, Vendor booth, up to 4 vendor attendees
