A close-up, low-angle shot of a horse's lower legs and hooves as it moves across a dusty surface. The legs are dark brown, and the hooves are dark with some white markings. A large cloud of dust is kicked up behind the legs, creating a hazy, golden-brown background. The overall mood is dynamic and energetic.

HORSE-BACK RIDING

25 € per person

- Start at 2000 meters
- Ends at 2198 meters
- Duration 2 to 4 hours
- In case of bad weather the tour might be cancelled or delayed

VIA FERRATA KOTOR

60 € per person adults / 75 € per person children up to 12 years

Period: June - November

Via ferrata represents a secured hiking trail that crosses inaccessible parts of mountain massifs with the help of cables and metal treadmills. Ferrata is suitable not only for professional climbers but also for people that are not engaged in active hiking and sport.

This ferrata is located on the exit of the Canyon Škurda and at the entrance to the Old Town Kotor. Rocks where ferrata is located, provide an excellent view of the Kotor Bay, the San Giovanni fortress and the entire Old Town Kotor. The 200-meter-long and 150-meter-high ferrata is rated as fairly challenging to difficult.

- Alpine and protective equipment included
- Guide included
- Start at 80 meters
- Ends at 205 meters
- Duration around 2 hours depending on the readiness of the participants
- In case of bad weather the tour might be cancelled or delayed
