Subject : **Safety and Security at SBGP**

In our continuous effort to ensure that Subic Bay Gateway Park (SBGP) remains a safe and secure environment for everyone, we would like to remind you that the installation of security guards at your leased premises is highly encouraged. While SBGP provides general security, maintaining dedicated personnel at your specific site is a vital step in safeguarding the properties and assets under your responsibility.

Please be assured that our roving guards remain available to assist with any untoward incidents that may occur within the park. For fast communication and immediate action, you may contact our mobile hotline at 0917-623-5454.

We believe that by working hand in hand, we can effectively protect our community and maintain SBGP as a secure location for all stakeholders.

Thank you for your continued cooperation.
