

The cost of a puppy called Cully

1 Pair of slippers
1 Pair of shoes
1 T-Shirt
1 Wax Hat
2 Pairs of prescription glasses
3 Remotes
1 Phone
1 Complete stair spindle removed and several redesigned spindles.
1 Pine bed end now shorter
1 Blanket box now with rounded not square corners.
1 Makeup bag including contents
Various carpets now bearing frayed edges
2 Paperbacks
Numerous soft toys de-stuffed
A garden that resembles a mine field
A patio littered with treasured 'finds'
Numerous broken pots minus their plants

The payback

Unlimited cuddles
The unerring ability to make me smile
Regular laughter
Regular exercise
A furry hot water bottle that never gets cold
The friends I wouldn't have without her
The places I wouldn't go without her
The memories I'll treasure
Love given without measure
