## INTRODUCTION, OVERVIEW, AND APPROACH

TecInfo Communications, LLC, dba: TecInfo an internet service provider, is seeking qualified drop contractors to submit proposals to install aerial and underground drop lines from existing splice cases to locations where outdoor WIFI access points will be installed.

### Summary of Project:

This project is for **6.65 miles of underground fiber construction** and installation of **eight (8) strategically placed WIFI access points** in the City of Greenville, Washington County, Mississippi. **Quote should include labor only and owner will furnish materials.**

*See Project Plans and Specifications for additional detail.*

*The recipient or subrecipient should, to the greatest extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).*

### Question/Inquiry Process

All inquiries and questions related to this RFP must be directed IN WRITING via email to:

Lisa Wigington  
[lwigington@bbgeomatrics.com](mailto:lwigington@bbgeomatrics.com)

### Proposal Requirements

1. Proposals should be a price per foot of drop placement by type of construction and per splice with a total for this project.
2. A duly authorized officer or agent of the vendor must sign the proposal. Proposals that are not signed are not considered valid. Should vendor partnering take place, a signature by a duly authorized officer or agent of each entity is required on the proposal, though one entity should be designated the lead entity. The lead entity will be the contracting vendor who will be responsible for subcontracting with their other partners.

All questions and inquiries regarding this RFP should be submitted via email to [lwigington@bbgeomatrics.com](mailto:lwigington@bbgeomatrics.com).

3. Questions asked after the questions deadline stated in this RFP will not be answered.

Proprietary & Confidential

4. RFP responses will be in the form of proposals submitted via email in .pdf format to the following email address: [lwigington@bbgeomatics.com](mailto:lwigington@bbgeomatics.com).
5. TecInfo will not pay for any information requested herein, nor is it liable for any costs incurred by any vendor in responding to this RFP. All proposals submitted become the property of TecInfo; they will not be returned and may be subject to the Freedom of Information Act. Pricing and other information that is an integral part of the proposal cannot be considered confidential after an award has been made.
6. A vendor may withdraw its proposal prior to the RFP response deadline. Proposals received after the deadline will not be considered. Proposals will be reviewed internally and the project awarded within 10 days of the deadline.
7. The proposal and cost submissions constitute an offer by the vendor to do business with TecInfo. In the event a contract is awarded to a vendor, TecInfo, at its option, may incorporate all or parts of a vendor's proposal and any or all answers and information contained within that proposal shall become part of the final agreement between the successful vendor and TecInfo.
8. Notwithstanding any other provision of this RFP, TecInfo expressly reserves the right to:
  - a. Conduct discussions with any or all Vendors for the purpose of clarification of proposals.
  - b. Waive, or decline to waive, any insignificant defect or informality in any proposal or proposal procedures.
  - c. Accept, reject, or negotiate any or all proposals or the terms of any proposal, or any parts thereof, for the purpose of obtaining the best and final offer.
  - d. Cancel or amend this RFP or issue other requests for proposals.
  - e. Select a vendor(s) based on TecInfo's analysis and evaluation of proposals submitted. TecInfo reserves the right to request presentations of proposals if TecInfo feels further information is appropriate to the decision-making process.
  - f. Select no proposals at all.
  - g. Cancel an award if a vendor fails to negotiate in good faith and execute definitive written documents necessary to effectuate the transactions contemplated hereby in a manner consistent with the project's timeline and within fifteen (15) days from the award date.
9. TecInfo reserves the right to use all concepts presented in any proposal to obtain the most beneficial and effective path to achieving its desired goals for the project. Selection or rejection of proposals shall not affect this right. All proposals will be evaluated, and at TecInfo's discretion, an award made to the vendor(s) who demonstrates the best ability to satisfy the scope of work in the most timely and efficient manner possible.

Proprietary & Confidential

10. By submittal of a proposal, a vendor attests to have read, understood, and agreed to all requirements, terms, and conditions in this RFP, including all attachments, exhibits, and appendices.
11. Proposals responding to this RFP shall not be tied to any potential or future arrangements.
12. A vendor and any subcontractor must be properly licensed and registered as required by the State of Mississippi necessary to complete the work contained in this RFP. Proper license and registration is required by each vendor before submitting a bid. Each vendor may, before submitting a proposal, examine the site to determine the extent of work involved and the conditions under which the work would be performed. The submission of a proposal will be construed as evidence that such an examination has been made, and no subsequent allowance will be made in this regard on behalf of the vendor for any error or negligence on its part.
13. Vendors must identify any conflict of interest that may arise from providing services to TecInfo. TecInfo reserves the right:
  - a. to disqualify any vendor or reject any proposal at any time solely on the grounds that a real or perceived legal or policy conflict of interest is presented;
  - b. to require the vendor to take any action or supply information necessary to remove the conflict; or
  - c. to terminate any contract arising from this solicitation if any such relationship would constitute or have potential to create a real or perceived conflict of interest that cannot be resolved to TecInfo's satisfaction.
14. Payments under the contract will be made by TecInfo on no more than a monthly basis and final payment within 30 days after satisfactory completion and acceptance by TecInfo of the materials.
15. The vendor is expected to provide project management of this effort and report progress weekly (or bi-weekly) against a submitted project timeline and project plan in an acceptable format.

## Closing Date

The proposals and separate non-binding cost submissions shall be emailed no later than **1:00 pm CST on June 5, 2026**. Late proposals submissions will not be accepted.

The following timetable outlines the anticipated schedule for the RFP and Contract process. The timing and the sequence of events resulting from this RFP may vary.

### Event Anticipated Dates:

- **RFP Issued: May 30, 2026**
- **Proposals Due: June 5, 2026 1:00 pm CST**
- **RFP Evaluation: Proposals will be evaluated and awarded by 1:00 pm CST on June 8, 2026**
- **Contract finalized: On or before June 10, 2026**

## Response Form and Procedures

### Proposal Format:

To aid in the evaluation of proposals, TecInfo requires that proposals follow this outline:

#### 1. Small, Minority, and Disadvantaged Businesses:

TecInfo is committed to involving small, minority, and local businesses for consideration of awards for this RFP. Disadvantage Business Enterprise (DBE) is defined as:

- WMBE** Minority Women Business Enterprise
- MBE** Minority Business Enterprise
- WBE** Women Business Enterprise
- SDBE** Small Disadvantage Business Enterprise
- VBE** Veteran Business Enterprise
- SDV** Service-Disabled Veteran
- 8A** Small Disadvantage Business
- HUB** Historically Underutilized Business
- HUBZone** SBA HUBZone Program eligibility

Vendors are to identify the extent to which DBEs, Small Businesses (SBs), Veteran-Owned Small Businesses (VOSBs), Service-Disabled Veteran-Owned Small Businesses (SDVOSBs), HUBZone Small Businesses, Small Disadvantaged Businesses (SDBs) Woman-Owned Small Businesses (WOSBs), Historically Black Colleges/Universities or Minority Institutions (HBCU/MIs), Minority-Owned Businesses (MOBs), or Local Businesses (LBs) would be utilized in the performance of this proposed contract. For TecInfo's DBE Participation Plan, a small business is defined in accordance with the Small Business Administration's size regulation 13 CFR 121.201. In addition, as defined by the North American Industry Classification System (NAICS) code applicable to this RFP, the offeror's own participation as a SB, VOSB, SDVOSB, HUBZONE SB, SDB, WOSB, HBCU/MI, MOB or LB is to be identified, and DBE participation will

Proprietary & Confidential

be considered in evaluating the Socioeconomic Considerations, Location, and Value-Added evaluation factor.

5. Timeline: Vendor should include a proposed timeline for completion of cultural review services requested in the request for proposals.
  
6. Price Breakdown: Vendor should provide a price breakdown for all cultural review services requested in the RFP.

**General Terms and Conditions -- Contracts**

An award resulting from this RFP is automatically canceled if federal funds under NTIA are not appropriated or otherwise made available to support the contract’s commencement or continuation of performance.

Compliance with Laws

The Vendor must, in performance of work under the contract, fully comply with all applicable federal, state, or local laws, rules and regulations, including, but not limited to, the Engineering Agreement and applicable guidelines. Any subletting or subcontracting by the Vendor subjects subcontractors to these same provisions.

Prevailing Wage Rates and Labor Standards

1. To the extent applicable, the Vendor shall pay all laborers and mechanics employed by Vendor on the Project not less than the prevailing wage determined under the “Davis-Bacon Act” (40 USC 276(a)) for similar work in the civil subdivision for which the laborers and mechanics perform the work. In addition, to the extent applicable, the Vendor shall pay all laborers and mechanics overtime compensation in accordance with the provisions of the “Contract Work Hours and Safety Standards Act” (40 USC 327333).
2. The Vendor shall comply with all regulations issued pursuant to the above-referenced Acts and with all applicable federal and state laws and regulations.

CERTIFICATION REGARDING DEBARMENT

All proposals must be accompanied by a CD-512 Certifications Regarding Debarment, Suspension Ineligibility and Voluntary Exclusion-lower Tier Covered Transactions and Lobbying signed by an authorized representative.

## LEGAL PROVISIONS

- Failure to follow any instruction within this RFP may, at TecInfo's sole discretion, result in the disqualification of the Bidder's proposal.
- Bidder's response to this RFP should reflect exceptions to any TecInfo requirements with which the Bidder cannot comply. These exceptions shall be itemized in the Bidder's response.
- All bids must be valid for a period of at least 90 days following the date of submission.
- TecInfo shall incur no obligation or liability whatsoever by reason of issuance of this RFP or any action by anyone relative thereto. The Bidder's preparation of their response is at the sole expense and liability of the Bidder.
- All discussions, negotiations, understandings, agreements resulting from this RFP are preliminary. TecInfo has no obligation to the Bidder until a formal Master Service Agreement and Statement of Work are executed.
- Vendor shall defend, indemnify and hold TecInfo harmless from and against any and all actual or threatened third-party claims, suits, actions or proceedings that allege that TecInfos's use of Vendor's solutions, including its search engine, infringes or misappropriates the intellectual property rights of a third party.
- TecInfo reserves the right to negotiate with any Vendor prior to and /or subsequent to any contract award.
- It is the responsibility of the Bidder to clearly identify all costs associated with any item or series of items in this RFP. The Bidder must include and complete all parts of its cost proposal in a clear and accurate manner. Omissions, errors, misrepresentations, mistakes in calculation or inadequate details in the Bidder's cost proposal are the sole responsibility of the Bidder and may be grounds for rejection of the Bidder's proposal. Costs that are not clearly identified will be borne by the Bidder.
- Proposals may be withdrawn, modified and resubmitted prior to the formal bid due date in the same manner as the initial submission. Modifications submitted after the formal bid due date, or in any a manner other than the acceptable submission manner, will not be considered.
- TecInfo reserves the right to waive any defect or irregularity in any proposal procedure.
- TecInfo reserves the right to request additional information or clarification of a Bidder's proposal. The Bidder's cooperation during the evaluation process in providing TecInfo staff with adequate responses to requests for clarification will be considered a factor in the evaluation of the Bidder's overall responsiveness. Lack of such cooperation or failure to provide the information in the manner required may, at TecInfo's discretion, result in the disqualification of the Bidder's proposal.
- The successful Vendor shall acknowledge and certify that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi.
