Work experience application

We love to give back to our community! Our busy little design studio offers opportunities for 2 work experience placements per year. Ideally, those are students studying graphic design at TAFE or University who are interested in learning about how a professional studio operates. If you are interested in work experience with Black Canvas, you can apply by filling out this form for consideration and emailing it to hello@blackcanvas.com.au

What do you think is the role of a graphic designer? (What do we do all day?)

Do you have any special requirements we will need to consider?

WHAT TO EXPECT FROM WORK EXPERIENCE WITH US

During your work experience you can expect to learn a variety of things from us. You will have the opportunity to use industry standard software and see how those skills are applied to create professional designs. You will learn how we operate on a daily basis and the kind of things we are responsible for, and how we work together as a team to make those things happen.

Housekeeping duties

Each day we have a number of basic duties we are responsible for. Things like washing up, filing, shopping for office supplies, tidying the office, data input, making cups of coffee and Tea.

Graphic design briefs

Working to a given timeframe is something we aim for in our workplace. If we need help to understand something, we talk to each other and find a solution together. We love sharing our skills.

Punctuality

We appreciate punctuality – to start work on time and finish the working day as arranged with us prior to commencing work experience. Please let us know if you need to start or finish at a certain time.

Enthusiasm

Work experience is a two-way street, we give and take. It pleases us when you show you are interested in the opportunities on offer and appreciation of the time we invest in helping each other.
