Send Us Your Next Case

Arizona 3D Dental accepts cases through traditional impressions and through digital portals.

1. For digital cases go to www.lab.dental/submit-a-case and follow the directions on the website.

2. Complete a prescription form.

RXs are available at www.lab.dental/documents.

3. Request Shipping Supplies. Shipping supplies such as boxes and labels can be requested by contacting admin at (623) 207-7620, as well as instructions on how to ship.

5. Package and ship your case. Place foam or bubble wrap in box, separate models and secure impressions and bites. Add prescription. Tape box securely shut. Attach preprinted shipping label.
