CHAPLAIN'S CORNER

It Is Easier to Give Than Receive

Matthew 25:31-46

The Communion of Saints is not just a phrase – it's a reality.
We are one in communion with the saints, with the saintly and with our church family here on earth.

In Matthew's description of the Last Judgment, Jesus judges our lives based, at least in part, by what we have done for the least of these.

But how many of us are ready to receive from the least of these, allowing all to share in the blessings of fulfilling the Gospel in service to each other. Being as willing to receive as to give creates our living Communion of Saints.
