READ ALL ABOUT IT

Our first puzzle competition was a smashing success, thank you to all you came out to watch and especially to those who joined a team. We had four teams competing in a timed event. The clock was set at 90 minutes, the stakes were high as each team was given an unopened puzzle they had never seen before. As time ticked down the teams worked fast and began to see they were putting together a puzzle with each of their faces on it! Our grand champion was team **ORGANIZED CHAOS, completing the first puzzle in 43 minutes, they were then given a challenge puzzle with no picture help. Team organized chaos quickly went to work sorting pieces. They soon realized this challenge puzzle had all of our Aldersgate Village staff pictures on it.**

Coming in second place was team **MISSING PIECES, and our third place winner was team **BORDER FIRST**, our honorary mention is team **Jagged Edges**. Stay tuned for our next competition. More pictures to come next week.**
