

About AIFA Singapore

Incorporated in 1993, AIFA Singapore specializes in the import, export, and wholesale distribution of household and commercial electronic products. Our registered trademarks, AIFA and Aucma, are well recognized in Singapore and the region.

Most of our products under the AIFA and Aucma brands are manufactured through OEM partnerships with globally renowned companies, ensuring consistent quality and innovation.

At AIFA Singapore, we are committed to providing high-quality, safe, and competitively priced products to our customers. We take pride in upholding excellence and reliability in every product we deliver.
