“Continuing Tradition”

For nearly 20 years, Clint Jackson has been serving the community of Graniteville South Carolina and the surrounding areas. Clint’s journey began with the late William “Sammie” Napier, and he continues to provide the same service that he was taught by such an icon in funeral service. “It is our desire to walk by your side during life’s most difficult moments”.

Whether you choose earth burial or cremation, we have options that suit your needs. Along with burial services we offer On-Site Cremation here at our very own crematory. We are proud to be family owned and operated and look forward to many years of “Continuing Tradition”.

PAYMENT POLICY

Losing someone you love is a devastating experience. It can be very traumatic and seriously impact one's judgment. Therefore, it is important to be realistic with respect to funeral expenditures. One of the most important responsibilities that we have to each family we serve is to bring your emotional and financial needs together, whatever the circumstances may be. We do not want your choices to be more than affordable, nor less than you would like to arrange.

Jackson Memorial Funeral Home & Crematory has established the following uniform payment policy. This payment policy enables us to meet our financial obligations while providing quality service to each family in our care:

- Payment for all goods and services is due at the time arrangements are made.
- An obituary will not be placed, nor will service times be scheduled until payment has been secured.
- We do not finance or extend credit. If a long-term payment plan is desired, we are partnered with a third-party lender, or you may use a lender of your choice.
- Without secured payment, services will not be rendered.
- We accept all major credit cards, but a credit card processing fee of 3% will be added to the total statement of funeral goods and services.

We accept life insurance policy assignments, under the following conditions:

- The policy must be verified to be in force & non-contestable (in force for at least 2 years).
- The policy must be assignable, and payable to Jackson Memorial Funeral Home & Crematory and/or C&J Financial.
- Due to the length of time it takes to fully process life insurance, we are partnered with a third-party insurance processor. That service is a 3.98 % fee against the insurance policy, collected by C&J financial. In the case that a family wants to process their own life insurance, payment for all goods and services is due at the time arrangements are made. An obituary will not be placed nor will service times be scheduled until payment has been secured.
- Finally, we do not except "future payment" from estates, settlements, or GoFundMe accounts, due to the time it takes to receive payment. In this case, a family member must pay the funeral bill and apply for reimbursement.

It is our policy to provide first-class service to everyone. We respect the dignity of those we serve and ask if you are dealing with limited funds, please do not hesitate to tell us of your circumstances and we will tailor a service to fit your budget. We will never compromise a dignified funeral service as we are able to offer alternatives and options for any situation.
