

ST. PATRICK'S COMMUNITY NEWS

WEEK OF JULY 26TH - AUGUST 1ST

School Supply Drive

One of our Social Justice initiatives is to Adopt a School. We've adopted Buckeye Middle School for the 2026-2027 school year. Our first initiative is a school supply drive for Buckeye Middle School August 2-16. There will be a collection bin in the hallway starting August 1. These are the things they've requested:

- Pencils
- 3 ring binders
- Pens
- Folders with holes
- Highlighters
- Loose leaf paper
- Notebooks
- Binder tabs
- Expo markers
- Pencil pouch with holes

Scan the QR code to view the amazon wishlist of all the school supplies requested. Feel free to bring additional school supplies, but these are the most needed items. Please reach out to Denise at denisebirkhoff@gmail.com with questions.

Parish Office Volunteer Opportunity

Beginning August 1st, we are looking for willing volunteers, for our Parish Office, to offer one day weekly, from 10am-1pm. Our office is open Monday - Friday. Duties will include answering the phone, greeting visitors, and light office work (adjusted according to interest/skill). Basic computer skills would be helpful but are not necessary. If you are interested in offering your friendly presence and helping hands to the people of St. Patrick's, please contact Lucas Weiss, Parish Administrator at 614-766-2664 or administrator@pats-dublin.org.

Seeking Sound Volunteers

Would you be surprised that of the major factors in retaining visitors and major effects on the over-all worship experience is not high church vs low church liturgy or conservative vs liberal theology? Rather, it is sound. Can the liturgy be clearly heard is actually more important than if people can see what's going on. As of late we have been working to improve the sound quality in the worship space, and now I need some help. The sound system in the worship space is operated through a website. That means it can be run from any laptop, iPad, or even a smartphone if your eyes are good enough (mine are not). Anyway, I am looking for help to run the sound system at services. If you would like to learn how to run the sound system and be a part of a team taking on this vital ministry team please contact me at rector@pats-dublin.org.
