- 3 GelFormX Memory foam
- 4 GGT Certified ProgressiveComfort Foam
- 5 Contour Tech 5 Zone Pocket Spring
- 6 360 Surround Foam Boxed Wall

New Tencel Knit

Tencel is made from the natural cellulose found in wood pulp. It has the ability to absorb moisture and is also a natural antibacterial.

Edge to Edge Spring Technology

Individually encased pocket coils offers body contouring and minimised partner disturbance.

Global Green Tag Certifications

GreenTag also assesses the health impact on humans during the manufacturing process and also on the healthiness in use of the final product.

360 Surround Foam Boxed Wall

Medium density foam box encasement, offers 100% surface and eliminate saggy mattress sides.
