

Section 3 - External Auditor Report and Certificate 2024/25

In respect of

Thurleston Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2024/25

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.

The bank reconciliation was not provided on the initial submission, once received there were no issues noted. This is one of the supporting documents we require on the initial submission as per Paragraph 2.24 of JPAG Practitioners' Guide 2024 therefore please note this for the future.

The council originally completed the incorrect version of the AGAR form; a form 2 was used however a form 3 was required and this was later submitted by the council.

On initial submission, control objective L of the Annual Internal Audit Report was not answered. This was later submitted with a 'yes' response which was in line with our expectations, so no further concerns raised.

On review, the council's general reserves are higher than the generally accepted level for general reserves for smaller authorities. The council have however informed us that some of these general reserves are actually held to fund upcoming projects from general reserves each year under the budgeting guidance, ensuring that they then leave sufficient general reserves which under Paragraph 5.34 of JPAG Practitioners' Guide 2024 is 0.25 and 1.0 times annual expenditure. Amounts can be designated to and/or from this reserve as part of the in year budget monitoring process as is required.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
