Dear Paul,

**Re: Planning Applications R22/1298 (including R22/1299, R22/1335)
Draycote Water, Kites Hardwick, Rugby
Draycote Water car park extension & visitor building**

Thank you for your invitation, dated 15th December 2022, to review the above planning applications.

Thurlaston Parish Council's (TPC) Planning Subcommittee has assessed R22/1298 and note that R22/1299 and R22/1335 relate to different aspects of the same site.

TPC supports the principle of the developments. Overall they are considered positive developments given the significant population growth expected as a consequence of RBC's Local Plan.

Thurlaston Parish Council has no objection to the proposed developments.

Yours sincerely,

Dr Keith Boardman
Chairman Planning Subcommittee
Thurlaston Parish Council
