Team Placements

When forming teams, we consider factors such as athlete skills, experience, and maturity. Team placement is primarily determined by birth year and skill level. Rosters are subject to change at any point and for any reason under coaches discretion.

The Commitment

Participating in our All Star Cheer program is an 11-month commitment. Additional practices and extended practices will be scheduled during important times of the season. Athletes are expected to prioritize their participation in our program and fully commit to attending all scheduled practices.

Practice Schedule

Over the summer, all teams will practice 2 days per week. This schedule allows athletes to continue building skills, strength, and team chemistry while still enjoying their summer.

Beginning the week of August 8th, our Elite Teams will transition to 3 practices per week. This increased schedule is essential as we prepare for choreography, routine development, and the start of the competition season. Consistency and attendance during this time are extremely important to ensure each athlete and team is fully prepared for a successful season.

Competition Schedule

The competition schedule varies by team. Most teams will attend competitions hosted both locally and nationally, with the opportunity to be invited to and to attend End-Of-Season Events (i.e., The Regional Summit, ASWC, The Summit). Final competition schedules will be released in July/August 2026.

Travel Expenses

Travel expenses are not included in tuition. Athletes are required to book travel in accordance with any guidelines provided throughout the season. All end of season events will be an additional cost and not included in monthly tuition. Please keep in mind that the gym will also include fees for an end of season event as well as the competition company.

Please review our policies as a family to ensure we are a good fit for your lifestyle and priorities.

1. Only enrolled athletes are allowed in practice areas. Anyone who disrupts the practice setting will be asked to leave.
2. No food, drinks, gum, candy, or cell phones are allowed on the practice floor. Legacy All-Stars is not responsible for lost personal items.
3. The use of the Legacy All-Stars name, logo, team names, or branding is not permitted without approval from the gym owner and/or director.
4. Athletes are expected to arrive early or on time to every practice in proper practice attire, with a positive attitude and ready to work.
5. Refrain from posting, reposting, or sharing anything on social media that is negative, inappropriate, or reflects poorly on the program.
6. Athletes are enrolling in the Legacy All-Stars program, not a specific team. Team placements, roles, and positions will be determined and adjusted throughout the summer and season.
7. We enforce a strict attendance policy. Athletes are allowed 2 unexcused absences from June 1, 2026 through August 31, 2026, and 2 unexcused absences from September 1, 2026 through the end of the season (April 2027). Any additional absences, such as summer vacations, must be approved by coaches. Athletes should still attend practice unless they have a fever over 101, are vomiting, or are contagious. A doctor's note may be required.
8. Practices are mandatory for the 2 weeks leading up to any competition. Missing practice during this time may result in not competing, at the coaches' discretion.
9. Notify Legacy All-Stars immediately of any injuries.
10. Parents are expected to support a positive environment. Negativity, gossip, or ongoing conflicts from a parent/s may result in removal from the program.
11. Athletes may be removed from the program due to attendance issues, conduct, or parent-related conflicts.
12. Athletes may be moved to a different team if required skills are not maintained and/or based on team needs.
13. All additionally scheduled practices must be attended.
14. If an athlete is injured during the season, once cleared, placement will be evaluated to determine the best fit for the remainder of the season.

FINANCIAL COMMITMENT

Participating in All Star Cheer requires a significant financial commitment. It's important to carefully consider the investment involved. Tuition is divided into 11 monthly installments and is due on the first of each month. Billing begins in June 2026 and continues through April 2027 (May will be prorated). We accept all forms of payment. Please note you are required to keep a credit card on file as a backup form of payment.

PROGRAM COST

We understand that All-Star Cheer is a significant financial commitment, and we believe in being fully transparent with our families from the start. All pricing is provided up front so you know exactly what to expect before committing to the season.

Our All-Star Fees are designed to cover the core expenses of the competitive season, including coaches' fees, competition entry fees, choreography, and music. These fees are separate from monthly tuition, which is outlined on the next page in the complete pricing breakdown.

While fundraising opportunities may be offered throughout the season to help offset costs, all families are expected to remain current with payments based on the established schedule.

Our program competes at a high level and will attend both local and travel competitions. Please note that travel expenses such as hotels, transportation, and meals are not included in All-Star Fees. Athletes will travel with their families, and hotel blocks may be provided for convenience when available.

All-Star Fees are typically distributed over the early part of the season to accommodate upfront apparel and competition costs, while tuition remains consistent throughout the year. Additional items such as uniforms, practice wear, bow, jersey, backpack, hair piece and makeup are not included in the All-Star Fees and will need to be purchased separately.
