— FOR CONGRESS —

**A REPRESENTATIVE WITH PASSION,  
COMMON SENSE, AND EXPERIENCE.**

## **IN THE LAST TWO YEARS**

- Have you felt safer in your home?
- Have you been better able to afford utilities and groceries?
- Have children been better educated?
- Have our roads and infrastructure improved?
- Have you thought about leaving California?

**Career politicians are responsible for creating this mess, and they are not "really" trying to fix it...**

**But there's Hope. CHRISTINE BISH is running for Congress, and she's committed to making a difference.**

**CHRISTINE BISH will defend our police, not defund them. She'll stand up for our neighborhoods and victims of crime, not the criminals.**

**CHRISTINE BISH will fight to preserve our Constitutional Rights, including a Parent's Right to raise their children as they see fit.**

**She'll help to secure our borders, restore our economy, and make us energy independent.**
