

MENTOR COUPLES WITNESS TO LOVE

with

Witness to Love is a Catholic marriage prep program that helps equip engaged couple with tools to navigate challenges throughout their marriage with the help and guidance of a mentor couple.

THE GOAL:

As a mentor couple (MC), you and your spouse will walk with one engaged couple (EC). The purpose is that you will be able to grow in deep friendship with this one couple. You will journey with them throughout their engagement and into their marriage.

REQUIREMENTS TO BE A MENTOR COUPLE:

- You and your spouse must have a valid, sacramental marriage in the Catholic Church.
- Married for at least 7 years.
- Attend Sunday Mass.

HOW DO I SHARE ABOUT MY MARRIAGE?

Do not worry, the beauty of this program is that it will teach you and your spouse how to share about your marriage with the EC. You do not need special training or education; **YOU** are the expert of your marriage and that is why we want you to share what you have learned with the EC in our parish!

TIME COMMITMENT:

- One dinner with EC and Marriage Prep Coordinator (MPC) to explain the Witness to Love (WTL) program.
- One double date with EC to grow in friendship with each other.
- Six meetings with EC to work watch videos and go through a workbook, ideally spaced throughout 6 months.
- Invite EC to join you and your family for mass once a month during engagement.
- One dinner with Father Rob, other MC, and EC to talk about the sacrament of marriage.
