

Winding Brook Summer Camp 2021

We are now beginning enrollment for Winding Brook Summer Camp. This year's camp begins on Monday, June 21st and will run 9 weeks. We fill-up completely each summer, so keep this in mind when registering. Most likely we won't be able to add to your child's schedule once the summer starts.

**You can pick 2 weeks to join the fun...register for the whole summer....or anything in between!
Sign-up for 3, 4 or 5 days per week – half-days or full-days ... "build your own schedule".**

Over the years, our campers have had a fun-filled, enriching experience at Winding Brook Summer Camp. The children are broken-up into age-appropriate groups for daily activities including arts and crafts, cooking, outdoor sports and games, music and dance, swimming (in our on-site, in-ground pool), and enrichment activities. **The camp is geared for children 3 years through 6 years old, and children must be fully potty-trained to attend.** Each week has a theme and a special activity on Wednesday. While we don't take the children off the premises, following is a sample list of some of the themes/activities we've had at summer camp.

"Summer Blast Off" – Reach for the stars in a giant Moonwalk bounce house. Balloon-rocket races.

"Party in the USA" – A visit from the **Fun Bus** – Red, White, and Blue Day, Making home-made ice cream. Flag parade.

"Leapin' Lizards" – "Silly Billy" from the **Lizard Guys** will be here to do his live animal show, complete with turtles, skinks, and snakes.

"A Pirate's Life For Me" – A visit from a "real" pirate for pirate magic show, treasure map-making, playground scavenger hunt.

"Buggin' Out" – A creepy crawly bug presentation by Insectropolis. Playground bug-hunt with magnifying glasses. Make our own bug-catchers.

"Camp Rock" – Rock out to a music show by children's performer "Annie B." Make your own musical instruments. Camper lip sync/dance party.

"Sea, Sand, Summer" – The Center for Aquatic Sciences will bring "Beach Detective Touch-tables" for the children to explore. Seashell treasure hunt in the sandbox.

"Animal Adventures" – A visit from a traveling petting zoo. Make our own animal masks and go on a safari.

"Mad Science" – A visual and interactive science show with exciting experiments and demonstrations.

Winding Brook Summer Camp is a relaxed, safe, and comfortable environment for your little ones, and a great way to maintain the consistency of the school year. Our summer staff includes some of our teachers, as well as

experienced counselors who have been with us for many years. We have two CPR-certified swim instructors at the pool at all times.

Children can be registered to attend camp for half or full days, 3 through 5 days per week. We only require a minimum enrollment of 2 consecutive weeks. The enclosed enrollment form provides pricing and schedule options. Enrollment forms are requested by April 1st, along with a registration fee and deposit. The deadline for registration and/or the balance of the tuition is due by June 1st. Keep in mind that July fills up quickly, so register early to reserve space. *****Please make a copy of your enrollment form so you have your child's summer schedule for your records. *****
