

Designed for Every Person, at Every Age and Ability

Hot Shots Tennis: Kids play on smaller courts with modified equipment to make it easier, and more fun to progress. We have lighter racquets, lower nets, and tennis balls that don't bounce too high — so they are easier to hit and chase down. Our program develops kids mentally, and physically. A child's early years are when fine motor skills are developed, and tennis is amazing for developing coordination, speed, strength, and agility. Tennis Hot Shots is above all — FUN! Kids develop their social and problem-solving skills while playing in a team, and as individuals. Also, they learn how to cope with wins and losses fairly.

Please note that the ages listed are a guide for new enrolments, other factors such as physical development/skills and other sports experience factor into which class will be suitable.

Progression to the next stage is competency based, as assessed against the Hot Shots Fundamentals Framework, and not the player's age. Players who train and play more frequently can expect to progress faster.

Terms and Conditions

Last Updated 1 January 2026

1. Enrolment and Fees

- All students must complete an enrolment through our Customer Portal prior to commencing lessons.
- Enrolment is ongoing from term to term. Your position is automatically carried over each term unless you provide written notice of cancellation.
- All enrolments require a direct debit arrangement for fortnightly fee payments.
- A place in any class is only confirmed once payment has been received or the direct debit has been activated.
- Advantage Tennis Group is a registered Active Kids Provider. Once you receive your voucher from Service NSW, email it to us and the value will be deducted from your next payment.
- Written notice is required to end an enrolment:
 - Between terms: At least 7 days' written notice before the first day of the upcoming term is required. Late notice will incur a cancellation fee equal to two weeks of lessons.
 - During the term: Cancellations will take effect at the end of the current school term once written notice is received.

2. Coaches / Staff and Feedback

- All coaches hold valid Working With Children Checks, and Advantage Tennis Group maintains high professional coaching standards.
- We aim to provide coaching consistency; however, coach changes may occur due to operational requirements.
- Respectful feedback is welcome.
- If an issue cannot be resolved with your coach, please contact Advantage Tennis Group on 02 8880 8880 and request to speak with Management.

1. Missed Lessons and Make Up Policy

- If your lesson is cancelled by Advantage Tennis Group for any reason, you will be offered the opportunity to book a make-up lesson within the same term. Make-ups may be taken in another weekly class of the same level or on designated make-up lesson days.
- No credits will be issued for missed or unattended make-up lessons.
- If you are unable to attend a group or private lesson due to illness, you may record your absence through the Customer Portal.
- When at least 10 hours' notice of an absence is given, you will receive a credit voucher to allow you to book a make-up lesson in an equivalent group class before the end of the term – this applies for group, squad and private lesson absences.
- Availability for make-up bookings is not guaranteed and depends on student absences and class capacity. Make-up lesson bookings should be made through the Customer Portal.
- Advantage Tennis Group does not offer make-up lessons for sessions missed for reasons other than illness.

2. Poor Weather Conditions (Rain/Lightning/Smoke/Heat)

- Coaches determine whether lessons proceed in adverse weather conditions, including rain, lightning, smoke, or heat. Decisions may be made shortly before the lesson if conditions are uncertain.
- Lessons may be modified on hot days. If the temperature exceeds 35°C WBGT or 36°C ambient (BOM), lessons may be cancelled.
- Lessons may continue in light, safe rain. Assume lessons are running unless notified by SMS.
- If a lesson is cancelled within the first half of the scheduled time, it will be treated as a cancellation and a make-up will be offered. If more than half of the lesson is completed, it is considered completed.
- Weather can vary by location. If a lesson proceeds and you are absent, no credit or make-up will be issued.

Remember that it might be raining where you are, but not at the tennis courts. If coaches walk on the court to start the lesson and you are not here, no credit or makeup lesson will be given.

3. Parent / Guardian Attendance

- Venues include designated viewing spaces for parents and guardians. Please remain off the court and refrain from engaging with your child during lessons, as this supports focus and independence.
- Parents may assist with ball collection during private lessons only when invited by the coach.

4. Participant Conduct and Behaviour

- All participants—including students, parents, and spectators—must uphold a respectful, safe, and positive environment. Bullying, harassment, abuse, or inappropriate behaviour will not be tolerated.
- Staff will first attempt to address behaviour issues with positive guidance and education where appropriate.

- If behaviour does not improve, the participant may be removed from the program as a last resort.
- Advantage Tennis Group may refuse or terminate enrolment for breaches of behavioural expectations. Property damage costs will be charged to the parent/guardian. No refunds will be issued for removal due to misconduct.
- We may refuse entry or require anyone to leave the venue if behaviour is deemed inappropriate.
- By participating in Advantage Tennis Group activities, you agree to comply with all Tennis Australia National Policies, which apply to children and parents/guardians.

- Policies: <https://www.tennis.com.au/about-tennis-australia/reports-and-policies/policies>

5. Responsibility for children under 18 years of age by Parents and/or Guardians

- Parents/guardians must supervise children at all times when they are not on court with a coach. This includes arrival, departure, and all venue areas such as car parks and walkways.
- Staff cannot supervise children before or after their scheduled lesson time.
- Children under 18 must be accompanied by a parent or guardian when using venue facilities outside their session. Parents/guardians must be present at the end of the lesson to collect their child. Coaches are not responsible for supervising children after their lesson concludes.
