Your sponsorship of Hash Browns for Hope will elevate your organization's visibility among more than 300 community decision makers. Join Hope Station in celebrating over 10 years of providing crucial temporary crisis relief to single, working mothers in Davidson and Rutherford Counties. Stand with us to ensure that these families who do not qualify for government assistance due to their income receive the help they need during challenging times.

About the Fundraiser

Hope Station's annual *Hash Browns for Hope* brunch and silent auction fundraiser raises awareness, community support and funds to support our mission. This inspiring event will include powerful client stories, insights from our executive director, live performances, and more.

Our Mission

To provide financial assistance to single, working mothers whose income disqualifies them for government assistance, and mental wholeness support to any single mother and their minor children.

About Hope Station

Founded by Quintina Waller in 2014, Hope Station is a vital resource for single, working mothers who are caught in the benefits cliff—earning too much for government aid but struggling to provide for their families.

Hope Station provides crucial aid to single mothers earning above the poverty level but facing tough choices due to limited funds.

Waller's personal journey fuels her commitment, transforming lives and serving 700 single mothers annually in recent years.
