

Car parking at Pilrig Dental Practice

From Monday 26th June 2023, Pilrig Street and the surrounding area become part of Controlled Parking Zone N7.

This means there will be 'resident only' parking bays and 'pay and display' parking bays.

Patients driving to the practice will need to use the 'pay and display' bays and be ready to pay by phone using the phone number and location code on the adjacent street signs.

On Pilrig Street itself, the pay and display bays are on the north side of the street beside Pilrig Park. There are other pay and display bays on both the east and west side of Leith Walk, if approaching from Easter Road and Bonnington Road respectively.

Links

The following link shows an interactive map you can use to find the location and price of parking bays in any area you plan to visit in Edinburgh.

<https://www.edinburgh.gov.uk/parking.../find-parking-bays/1>

Once you have found a car parking space, you can pay for your parking via the RingGO parking app. <https://myringgo.co.uk/>

And of course, if you want to leave your car at home, the Edinburgh Trams now pass right by the practice...the nearest stop being Balfour Street. A new bicycle rack has also been placed opposite the practice beside Pilrig St. Paul's Church.
