Subject: Thank You! Ramos Beautification Day

Hi Mr. Mukkulainen,

I wanted to take a moment to sincerely thank The Lehigh Valley Cycling Club members for volunteering their time and energy during our Beautification Day at Ramos on Saturday, August 15.

We are so grateful for the hard work the volunteers put in helping prepare our campus for the upcoming school year. From the mulching and trimming to the weeding and litter pick-up, the volunteers efforts made such a noticeable difference. The campus looks amazing!

Because of the support of The Lehigh Valley Cycling Club, our students and families will be welcomed back to a beautiful, clean, and inviting school campus on the first day of school. I know they are going to love seeing all of the work that our community partners put into making Ramos a wonderful place to learn and grow.

Thank you again for showing up for our school community.

With gratitude,
Kim
