Care - Community - Consistency

When your company supports The Elaine Clark Center, you're doing more than donating – you're investing in **Care, Community, and Consistency**.

Your partnership helps children and young adults of all abilities learn, grow, and thrive through inclusive education, therapy, and life skills programs. **Sponsorships allow us to offer scholarships, on-site nursing support, and social services to students and families.** Our caring services enhance each family's ability to navigate the maze of special needs care.

Together, we create opportunities that empower families and strengthen our community from the inside out. Our community of families, alumni, donors, and sponsors thrive where we value each individual for their unique abilities and the special talents they bring into our community.

Because we've been in Chamblee for over 55 years, we have a legacy of helping families. Many times, talking to long-time Chamblee residents, they will tell you about their connection to the Elaine Clark Center. Some people had children at ECC, others worked or volunteered, and some even attended an event like the Hustle for Hope or Exceptional Evening. When you talk about the Elaine Clark Center, everyone knows who we are.

Please consider a corporate sponsorship of the Elaine Clark Center so that we can carry on this important work and **continue creating a positive impact** for special needs families.
