**Guidelines and Registration
Packet**

This packet includes the important information you will need for this dance season. Please read it carefully and mark your calendars.

Policies

➤ **Registration:**

A dancer must be registered for a class before attending, unless he/she has been approved to drop in to the class. If a dancer attends without registering, he/she will be charged a drop in rate of \$15 per hour for each class without a completed registration form and payment agreement. The \$15 registration fee per dancer (\$25 family max) must be paid at the time of registration and tuition is due on the 1st of each month.

➤ **Payments:**

Tuition-

- You are responsible for the agreed upon amount for the Sept-April dance season as stated in the Payment Agreement Form. No pro-rates will be applied to your account for any reason (other than unscheduled studio cancellations).
- A 5% late fee per week will be applied to your account for every 10 days that payment is late.
- Tuition is based on four classes per month. Months with five classes are used to offset holidays and studio closures. Monthly tuition is the same September through April.

Costumes-

- Costume fees should be paid in full by the due date set in the "Costume Fees and Due Dates" section of this packet.
- Costumes will only be ordered for dancers paid in full.
- Late orders will have additional costume charge and additional shipping that will be the responsibility of the client ordering. High Attitude Dance Academy cannot guarantee that any costume will be available for late order, so please pay in full by the deadlines stated on costume page/your online account.

Competitions-

- Fees need to be paid CASH OR CHECK (CC WITH 5% FEE) by the due date stated for each competition on the "Competition Dates" section of this packet.
- Solo registration will only be made for dancers paid in full.
- Optional competitions may not be attended if required competition fees were paid late or unpaid.
- HADA Travel fees are itemized on your competition fees bill, and are required for dancers to attend competitions with HADA. The teachers volunteer their time unpaid for each competition weekend. Travel fees cover teacher lodging only.
- Payments from dancers may be made throughout the year to get ahead of competition fees in any increment you would like to pay monthly, weekly, or sporadically.
- Competition team deposits go towards your fees.

Private Lessons-

- To begin or continue private lessons, all tuition, costume, and competition fees must be PAID in full, and CURRENT each month.
- Private Lesson will be billed the 1st of every month and are due the 10th, if they are not paid in full by the 10th a 5% late charge will be added to the balance every 10 days.
- Private Lessons are charged at a rate of \$50/hour

Attendance

At High Attitude Dance Academy, consistent attendance and punctuality are essential for each dancer's progress, the success of the team, and the overall classroom environment. These expectations are designed to help dancers build strong work habits, maximize training results, and demonstrate respect for their peers and instructors.

- **General Expectations**

- Students are expected to arrive on time and in proper attire for every class.
- Attendance will be monitored monthly. Consistent participation ensures progress, readiness for performances, and a strong team dynamic.
- If a dancer is repeatedly tardy, they may be asked to transfer into a different class time that better supports their schedule.

- **Absence Policy**

- Recreational/Technique: More than 4 absences in a semester or multiple missed leading up to a performance may result in HADA contacting the parent to discuss options and/or removal from performance. (Competition team expectations are outlined in comp team contract)

Studio Expectations & Respect Guidelines

At High Attitude Dance Academy, we strive to create a positive, safe, and welcoming environment for all dancers and families. Our shared studio space thrives when everyone—faculty, students, and parents—works together with mutual respect and consideration.

- **Respect & Support:** Parents, guardians, and students can expect that all faculty and staff will prioritize the well-being of each dancer, treat everyone fairly, and encourage growth, confidence, and self-esteem. Should a concern ever arise, please reach out directly to Crystal (Owner) or a staff member so we can address it promptly and respectfully.
- **Role Modeling:** As our studio is a shared space, we often have students of many ages present. We ask that older dancers and parents remember they are role models for younger students and demonstrate wise choices in language, actions, and attitudes. Foul language, mistreatment of others, and negative behaviors will not be tolerated. A positive attitude, appropriate behavior, and leadership will always be recognized and celebrated.
- **Shared Spaces:** When using the lobby, lounge, dressing rooms, and bathroom areas, dancers and families are expected to clean up after themselves—disposing of trash and gathering belongings. For younger students, parents are asked to assist in maintaining this responsibility.
- **Supervision & Safety:** All young children, whether students or siblings, must be supervised at all times. Running in the lobby is discouraged, and safe play is encouraged in the courtyard. Please

note that studio equipment such as mats, balls, carpets, and trampolines are for **class use only**. Out of respect for dancers and staff, please keep noise and activity in the lobby to a minimum.

- **Accountability:** Teachers and staff will provide age-appropriate reminders and guidance to help dancers and families maintain respect for the studio. If significant behavioral or respect issues arise, privileges such as use of dressing rooms, lounges, open studio time, and toys may be temporarily removed. Should issues continue, parents will be contacted to create a plan of action together.

BOOSTER CLUB FUNDRAISER INFO:

CALENDAR SQUARES

- RECREATIONAL AND COMPETITIVE- ENTIRE STUDIO!

EVENT BEGINS 8/26-GET THOSE CONTACTS IN

Dear HADA Families,

We are excited to launch our Teamfi Calendar Square Fundraiser. **It is simple, fast, and works for every dancer in our studio, both recreation and competition, from 2-years old to 18!**

Things to know:

- **Every dancer benefits:** A percentage of what you raise goes directly into your dancer's account for tuition, costumes, travel, or competition expenses.
- **The more you sell, the more you earn:** Every square sold adds more to your own account.
- **No limits:** There is no cap on what your family can personally earn! When you fill your calendar you can either create a new one, or keep using your old calendar with the "donate custom amount" button!
- **Big reward, little effort:** Setup takes just a few minutes. After that, you mainly share your link and thank supporters.
- **Fun incentives:** There will be drawings for gift certificates and other prizes! Did someone say FREE TUITION?!

What to do:

1. **Sign up.** Click this link: https://app.teamfi.works/sign_up/59607f3d71fd Create your dancer's calendar. This takes 2–3 minutes. You can also use the QR code!
2. **Add 20+ contacts.** Add at least 20 people who know your dancer. Think grandparents, aunts and uncles, cousins, friends, coworkers, neighbors, teachers, church or community friends.
3. **Share your link**
 - Send your link by email to friends and family.
 - Post your link on Facebook and Instagram.
 - Share in group chats and community groups that allow it.
4. **Explain how it works.** Supporters pick a date and donate that dollar amount.
Example: choose the 20th = donate \$20. People can choose more than one square!
5. **Keep sharing!**
 - The more people who see your calendar, the faster your squares fill.
 - When your calendar fills, either create a brand new calendar or keep using the old one with the "donate custom amount" button.
 - There is no limit to your personal earnings!
6. **Watch for prizes**
We will post updates about drawings and gift-card winners for top sellers and others!
