The Boston Globe Names Alternative Home Health Care, LLC a Top Place to Work for 2016

Magazine honors the best employers in Massachusetts

METHUEN, MA (November 18, 2016) – Alternative Home Health Care, LLC has been named one of the *Top Places to Work* in Massachusetts in the ninth annual employee-based survey project from *The Boston Globe*. The *Top Places to Work 2016* issue will be published online at BostonGlobe.com/topplaces on the night of November 17 and in *The Boston Globe Magazine* on November 20.

Top Places to Work recognizes the most admired workplaces in the state voted on by the people who know them the best—their employees. The survey measures employee opinions about their company's direction, execution, connection, management, work, pay and benefits, and engagement. The employers are placed into one of four groups: small, with 50 to 99 employees; medium, with 100 to 249 workers; large, with 250 to 999; and largest, with 1,000 or more.

Alternative Home Health care, LLC was ranked ranked eight (8) in the medium category.

It is our experience that a company is not successful without strong leadership and a great team of employees. We pride ourselves on carefully selecting and training qualified health care professionals to be a part of our dedicated team. Our team is made up of Registered and Licensed Nurses, Physical and Occupational Therapist, Social Worker, and Home Health Aides. We employ bilingual staff to meet the needs of the communities we serve.

"In today's tight job market, competition for the best workers is intense," said Larry Edelman, the Globe's business editor. "Our winning companies know that creating a motivating and supportive environment is key to finding and keeping talent."

The rankings in the *Top Places to Work* are based on confidential survey information collected by WorkplaceDynamics, an independent company specializing in employee engagement and retention, from nearly 70,500 individuals at 366 Massachusetts organizations. The winners share a few key traits, including offering progressive benefits, giving their employees a voice, and encouraging them to have some fun while they're at it.
