

Sunday, March 8, 2026 at 10 a.m.

Sam Houston Park | 1000 Bagby | Downtown Houston

**Lace Up and Make an Impact!
Allies in Hope (formerly AIDS Foundation Houston)
presents the 37th Annual Walk to End HIV.**

This isn't just any walk—it's a vibrant celebration of the care, connection, and compassion that show why **Hope Lives Here**. We began as an HIV agency, and while that mission remains central, today our services reach far beyond HIV, supporting individuals and families across Houston, regardless of diagnosis.

Every step powers the programs that bring hope to life: prevention and testing, housing and supportive services, the Stone Soup Food Pantry, Camp Hope, and a coordinated network of care for all who need us. In 2026, your participation strengthens this work and moves us closer to ending the HIV epidemic while uplifting our entire community.

**Join us as a corporate sponsor
for the Walk to End HIV!**

Allies in Hope engages multiple community partners during this walk and also donates back a portion of proceeds raised to assist these smaller organizations!

Fundraising runs until April 1, 2026, so get involved and make an impact!
