

JULY 2026 NEWSLETTER

Farewell Justine

Dear Clients and Partners,

I wanted to share an update with all of you. I have accepted a new position and, effective July 20, I will be passing the Program Manager torch for the North Olympic Peninsula APEX Accelerator to Jennifer Scott.

Serving in this role has been one of the most rewarding experiences of my career. It has been a privilege to work alongside so many dedicated business owners, entrepreneurs, and community partners as you pursue growth through government contracting. I am incredibly proud of what we have accomplished together and grateful for the relationships that have been built along the way.

While I am sad to step away from my day-to-day role with the program, I am excited for its future. Jennifer brings tremendous talent, energy, and commitment to the position, and I have every confidence that she will continue to elevate the program and help businesses throughout our region achieve even greater success in the government marketplace.

I would love the opportunity to see as many of you as possible at our Meet the Agencies event on July 15. It would be wonderful to connect in person, celebrate your successes, and wish you all the best as you continue your government contracting journey.

Although my role is changing, my support for the APEX Accelerator program and the Clallam County Economic Development Council remains strong. I will be with the program for another month and will remain available during the transition to ensure continuity and support for our clients.

Thank you for allowing me to be part of your journey. It has truly been an honor to serve you, and I look forward to seeing the continued success of both your businesses and the APEX Accelerator program.

With sincere gratitude,
Justine Wagner

MEET THE AGENCIES

**July 15, 2026
10:00am-12:00pm**

Clallam EDC

141 W First Street

Port Angeles Wa 98362

Join us for Meet the Agencies, to connect directly with federal agencies to learn about upcoming projects and contracting opportunities. This event is designed to help businesses build relationships, ask questions, and discover how to do business with government buyers. Don't miss this chance to grow your network and gain valuable insights!
