Customizable marketing packages for any size business

CANTON
CHAMBER OF COMMERCE
IN BUSINESS TO HELP YOUR BUSINESS

Introduction

Marketing and sponsorship packages offer businesses of all sizes a unique opportunity to boost their visibility and connect with the community. Through event and program sponsorships, companies gain direct exposure to local audiences, showcasing their brand in front of engaged attendees and potential customers.

Additionally, digital advertising through the Chamber expands a company's reach, increasing brand awareness across the Chamber's established digital platforms. This targeted visibility not only enhances credibility but also builds meaningful connections that can drive business growth and customer loyalty.

The B.E.A.M. Project

Business Education and Motivation

Starting April 10

The B.E.A.M. Project is a cohort-based, multi-week business education and motivation program designed to equip small business owners and entrepreneurs with essential tools to start, stabilize, and grow their businesses. The program combines expert-led workshops, peer-to-peer learning, and hands-on application across core topics such as business planning, business development, digital transformation and operations management. Participants progress through a structured curriculum that culminates in a capstone presentation, ensuring they leave with actionable strategies and increased confidence to move their business forward

Beyond technical skills, B.E.A.M. emphasizes motivation, accountability, and community connection. Through cohort learning, networking, guest speakers, and mentorship opportunities, participants gain encouragement and real-world insight while building meaningful relationships with fellow business owners. The program is designed to be scalable, allowing multiple B.E.A.M. cohorts to be offered throughout the year to serve entrepreneurs at different stages and increase long-term impact across the business community.
