

FLIGHT ACADEMY PROSPECTUS 2024

Live your dream

Become a Pilot!

Invest in your child future by introducing them to the aviation industry. Professional Flight Centre in conjunction with High School Montana, High School Kempton Park, High School Garsfontein and High School Eldora, provides your child with the best opportunity to become a qualified pilot!

What does the Flight Academy entail?

- Ground school instruction in the eight PPL (Private Pilot License) subjects whilst still at school. (Grade 8-12)
- Group classes for the theoretical PPL subjects by qualified ground instructors/pilots after school at the school premises.
- Practical flight training by qualified instructors can commence at the age of 16 at Wonderboom Airport in a Cessna 172
- Individual attention, each learner progress at his/her own pace
- Base camps where learners are trained in the discipline of survival, first aid, leadership skills and aviation security.

Why is enrolling in the Flight Academy an advantage for your child?

Your child can become a qualified pilot, whilst still at school, therefore giving them the advantage of a “career head start”.

Flight Academy Fees:

- New student enrolment – R 500.00
- Existing student enrolment – R 300.00
- Monthly class fee – R 900.00 (10 months February – November)
- Avex books/notes – R420.00
