

Join Our Team

Support Worker

At Dorey Behavioural Services, we walk alongside every person who comes through our doors as they rebuild stability, confidence and a path forward. We're hiring day program and residential care workers to join our team in Sussex, NB.

What You Bring

- Minimum two years' experience working in a related field
- A problem-solver's mindset and the ability to learn and adapt quickly
- A collaborative, client-centered approach to care
- Strong communication skills, both within the team and with the clients we serve
- Excellent communication in English
- A valid driver's license
- Ability to pass a Vulnerable Sector Check and Criminal Record Check
- Willingness to obtain First Aid certification

Send your resume to dbsoportunities@gmail.com to begin the application process.

What We Offer

Your work matters — and so does your future. We provide:

- Comprehensive health benefits
- Group retirement savings support with employer matching
- Competitive wages
- Flexible scheduling (full-time, part-time and 12-hour rotations)
- NVCI training provided during orientation by a CPI certified trainer
- Real opportunities to grow your career with us

More than a Job

You'll be part of a close-knit team that shows up for each other as much as we show up for the clients in our care. This is hard work, meaningful work, and — on the good days, which are plenty — genuinely rewarding work. You'll see the impact you're making, right here in your own community.
