

We are excited to introduce Revive: a dynamic, collaborative project that brings together adults & youth in a shared mission - to create a vibrant space that celebrates growth, community, & transformation. Our new Faith Formation program, Revive, will consist of worship, age-appropriate activities, & small group discussion.

- Each month will feature a topic that all age groups will focus on that month.
- All Revive gatherings will be at Becker; all sacramental prep (except activity centers) will be at Big Lake.
- No sacramental prep fees!
- Adults who do not need to register children should still register (there is a separate registration and there is no cost!)
