SPECIAL

REPORT

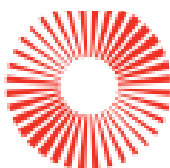

The Blue Ribbon Children's Festival Student Report

This Wednesday 5th grade went on a field trip to The Blue Ribbon Children's Festival. Before the dance, our grades watched an amazing acrobatic performance. Then we went outside and cheered for our school, and we also did the dance. We all danced in unison while the acrobats watched OUR performance! - Georgia

I personally loved the Blue-Ribbon Festival. I thought it was a great mix of music and stunts. My favorite act was the slapstick ladder act. - Nate
