#### Sock Give Away at PS 45 Queens

The Sock/Clothes Giveaway at PS 45 was a great success. Seeing the smiles on the faces of those who received socks and clothes is the reason we do what we do.

## From The Desk Of The CEO

The year 2025 has been an exciting one for JCHHOMES. Together with our community partners, we have achieved a great deal for the community. Thanks to a grant from Citizens NYC, we successfully translated our compilation booklet into Spanish, improving access to our local neighborhood services. We assisted families, individuals, young adults, and children with basic services such as clothing, coats, socks, backpacks, school supplies, low-income housing assistance, education, and even employment referrals. None of this would have been possible without the support of our partners, and I am deeply grateful for their contributions.

As we conclude the year with our toy donations and prepare for a winter gear giveaway in 2026, we anticipate a promising year ahead, filled with opportunities to strengthen further the community we serve.

Thank you to the staff, the board, the volunteers, interns, and everyone who participated in and contributed to JCHHOMES' mission in 2025. I look forward to working with you in 2026.
