WALTON COUNTY FAIR OCTOBER 12 – 17, 2026

Dear Commercial Food Truck Vendors/Booth Holder:

We are pleased to have your company show its support by having a booth at the 2026 Fair. Your booth does more than promote your company. It shows your interest in the Fair and Walton County.

This year's theme "Rooted in Tradition. Built for the Future" (our curtains will be blue).

Guidelines:

- If your business or organization does not want to participate in this year's theme, it is not a requirement but a suggestion.
- Booths will be ready for you to decorate beginning Thursday, October 8, 2026. The Fair building will be open Thursday through Saturday (Oct 8 – October 10) from 9:00 AM until 5:00 PM., and Sunday, October 11, 2:00 PM until 4:00 PM. We want to make every effort to accommodate you so contact us if you need extra time or different times.
- This year we are asking that if you are interested in giving away a basket you will be allowed to do so. When the Fair closes on Saturday night you will take your tickets with you and draw the winning ticket at your convenience and contact the winner. The Fair will **NOT** be holding a drawing at the end of the event this year.
- We request that your booth be operated during the Fair's hours. Opening hours would be Monday through Friday, from 5 PM until 9 PM, and Saturday noon until 9 PM. Please be prepared to leave your booth intact until after 9:30 PM on Saturday. Please be aware that the people that come to the fair look forward to seeing you and interacting with the booths. It's important that the booths have someone there during opening times. Last year several left early or did not have anyone on the busiest nights Friday and Saturday. We will have to start considering attendance as a detriment because our waiting list for booths has been growing. We would rather have someone that can be here than an empty booth.
- We provide 14 complimentary tickets for the week, 2 for each night and 4 for Saturday for workers (this comes to a total of \$70.00 that costs the fair for you to man your booth) who will be tending the booth. If you need to purchase additional tickets, you may do so at the time you pick up your tickets and avoid the ticket line. These tickets must be turned in and entry made through the front door or the gate entry. Tickets are \$5.00 apiece. **Please make sure that the people you have working have these passes or they will be required to purchase a ticket before entering.**
- We cannot provide tables or chairs and must insist that nothing be attached to the curtains. Booths are not allowed to sell raffle tickets.
- If there is anything we can do to help you with your booth, please do not hesitate to contact us. Booth assignments will be determined after September 15 and legacy booth holders will have priority for their spots from previous years. The Walton County Fair reserves the discretion to move booths spots for show management purposes if needed.

ANIMALS

All live animals are prohibited, apart from guide and service animals. An exhibitor wishing to display live animals as an integral part of an exhibit must furnish the Walton County Fair with Show Management's written approval before any waivers can be made. All approved live animal displays must be located at least 150 feet from any food and/or beverage service. Waiver of this prohibition may depend on type, size, and number of animals, their containment method; handler/trainer supervision, required insurance certificates, etc. Contact the Walton County Fair management for information. corridors, and restrooms including port-a-potties except in those areas specifically designated for the purpose of smoking.

EXITS AND SAFETY

No furnishings, decorations, or other booth objects can obstruct exits, access to exits, or visibility of emergency exits. The path of travel to exits may not be blocked by furniture or any other movable objects. This includes the use of fog stand up displays, machines, balloons, etc.

STAFFING OF BOOTHS

All exhibitors or vendors are expected to be in their booths during all published show hours, as we do receive consumer complaints about un-manned displays. Our visitors expect to be able to do business or interact with our exhibitors at any time during show or event hours. If you are in violation of this rule, your company may not be permitted to exhibit with us in the future. As a courtesy to those attending the Walton County Fair, and to your fellow Exhibitors, all Exhibitors must open their booth on time and staff it with at least one person throughout all open exhibit hall hours.

DEMONSTRATIONS AND HAND-OUTS

Exhibitors demonstrating products and/or distributing marketing materials, product samples or souvenirs are not permitted to do so outside the confines of their rented exhibit area. Working in the aisle is strictly prohibited and will be enforced by show management. The walkways in front of your booth are measured so that someone can access it with a stroller or a wheelchair. Vendors need to respect that boundary and keep all of your body and all of your booth behind the line of the curtain. Only those vendors that have paid or previously set up with management for a booth space may pass out anything.

APPLICATION AND PAYMENT

Applications for exhibit space must be signed, and payment in full must be received before exhibit space will be assigned or program information will be published. Fees are payable in U.S. dollars drawn on U.S. banks.

ASSIGNMENT OF EXHIBIT SPACE

All exhibit spaces that have been paid in full will be assigned their spaces upon receipt of payment. Space preferences will be accommodated when possible. Previous years' vendors will be given priority on booth assignments. Walton County Fair reserves the right to change booth assignments or to move exhibit booths to resolve competitive situations or for any other reason for the good of the overall show or event. No changes will be made without prior notification to the exhibitor(s) involved.

BOOTH CONDUCT

No exhibitor may operate in a way that interferes with the rights of another exhibitor. Exhibits and display materials may not span beyond the space allotted. All exhibits should be presented in a professional manner. Operation of objectionable sound devices and objectionable visual displays are prohibited. Walton County Fair, at its sole discretion, may determine what is objectionable.
