

Information on Gift Baskets for the Craft and Bake Sale

Thank you for considering a gift basket donation. Gift baskets are a great addition receiving favorable comments from shoppers. Here is what you need to know:

1. Signup sheet will be posted on the Craft & Bake Sale sign near the office window by September 12. Theme baskets are the most successful, so we will provide some ideas near the signup sheet. Don't be afraid to come up with your own unique theme.
2. Baskets are sold cash and carry and will be assigned a price. Please fill out the content form indicating the contents and the price of the items. A good price target for the contents is \$30-35. We will create a final contents tag from that form to attach to each basket.
3. A basket with a gift card to your business or a favorite business and/or items related to the business, or chocolates and other snack items sell very well!
4. Like to shop for the contents but don't feel comfortable arranging the finished basket? We can take those items and create the final basket. Drop off the contents October 24 -29 so we have time to complete the package.
5. At your earliest opportunity, please drop off at church office or email the basket content form to Karen Verhagen at verhagen@charter.net
6. We will accept completed and wrapped gift baskets at Messiah starting October 31st. **All baskets must be delivered to church by November 5.** Please make sure your name is securely attached to basket or basket contents.
7. If you have any questions, please contact Karen Verhagen, 608-335-6304 or verhagen@charter.net
