CULTURAL DIVERSITY TRAINING

Equip your management team with the skills to more effectively communicate with employees from different cultural and language backgrounds.

ABOUT THIS TRAINING

- Discuss high-context and low-context cultures and how they impact the workplace
- Explore the difference between culture and race
- Share strategies on how to respond to cultural differences
- Discuss ways to improve communication with those who have limited English language proficiency

DETAILS

- **3-hour training**
(delivered in 1 or 2 sessions)
- **up to 15 participants**
- **On-site or virtual**
