Soff-Cut® 150 PACE may be the lightest Ultra Early Entry™ saw in our range, but it delivers heavyweight performance – with a faster cutting speed and longer run time than comparable early-entry saws. Virtually maintenance-free, this low-noise saw features a powerful electric driveline that produces minimal vibrations – a difference you’ll notice both in your hands and in the beautiful result. From top to bottom, Soff-Cut® 150 PACE is engineered for unbeatable efficiency on all kinds of light commercial, residential and low-emission jobs – outdoors or indoors. Just insert the powerful PACE battery, push the start button and go. The saw you’ve been waiting for is finally here. Discover Soff-Cut® 150 PACE.
