Opening Prayer by Jane Bolan

December agenda and November minutes approved by consensus.

Replacement for Paul Gearhart: Paul has resigned from the council. Father Kevin is looking at parishioners who previously were entered to be selected as a council member. In the meantime, Jane agrees to serve as secretary.

Vote: Pastoral Council approval of sale of the church.

One step in the process is Pastoral Council's approval of the sale. The sale price, which can't be disclosed yet, is within the range the Pastoral Council previously approved in the parish's cash flow plan from November 2023. Further approval is not necessary.

Ignite Faith Too update

- Team Leader meeting held on 12/3/24. The whole campaign team will meet on January 23. Teams will mail a letter and pledge card to approximately 350 families who have pledged or contributed to Ignite Faith campaign but have not pledged to Ignite Faith Too campaign. Teams may also contact families by phone or in-person beginning in March.

Building Project / COL North buyer update

- Building progress is visible on Facebook. There is a weekly meeting with the builder. Walls are up, septic is installed, floor is being poured. The building is expected to be completed by June 1, however the surrounding groundwork may not be completed yet. We are getting quotes for office furniture, which we don't have budgeted yet. We signed contracts for the audio/visual system, low-voltage wiring system, and security system.
- January 11 will be a "Building Signing" open house at the site, hosted by the youth group.
- We are working on getting an auctioneer's consultation for potential items to sell from the North building.
- We have advised our tenants to vacate by June 30.

Update: Communication Vehicles Effectiveness survey status
