For far too many of our friends and neighbors, food insecurity is a very real state. This means having to choose between paying bills for food or heat or medications or rent, because there is just not enough income to pay for all of these needs. At the NWA Food Bank, we want to take food out of this painful equation, because we believe that no one should go hungry in our community! For more than 30 years we have been there to help those in need. The NWA Food Bank works closely with our network of more than 135 partner agencies to turn your generous gifts into much needed meals for those who might otherwise be hungry in our 4 county region of Benton, Washington, Carroll and Madison counties.
