## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
**Northwest Arkansas Food Bank**  
Lowell, Arkansas

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of **Northwest Arkansas Food Bank** (the Organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibility of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Northwest Arkansas Food Bank**

Lowell, Arkansas

The schedule for network activity reporting and state required supplementary data have not been subjected to the auditing procedures in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated August 27, 2025 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "Landmark PLC". The signature is written in a cursive, flowing style. The word "Landmark" is written in a larger, more prominent script, and "PLC" is written in a smaller, simpler script to the right.

# Northwest Arkansas Food Bank

## Notes to Financial Statements December 31, 2024 and 2023

### **NOTE 1: NATURE OF ACTIVITIES**

Northwest Arkansas Food Bank (the Organization), is a private, not-for-profit organization providing services for the collection and distribution of food items to other qualifying charitable organizations in the Northwest Arkansas area.

### **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### ***Basis of Accounting***

The Organization's policy is to prepare its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recognized in the period in which they are earned. Expenses are recognized in the period in which they are incurred.

#### ***Basis of Presentation***

The financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Codification Topic *Not-for-Profit Entities*. Under this Topic, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

#### ***Accounts Receivable***

Accounts receivable consist of amounts due from the various nonprofit agencies for food purchased during the year. For the years ended December 31, 2024 and 2023, accounts receivable are deemed fully collectible; therefore, no allowance for credit losses is considered necessary. If accounts become uncollectible, they will be charged to operations when that determination is made. Determination of uncollectibility is made by management based on knowledge of individual accounts and consideration of such factors as historical losses, current economic conditions, and reasonable and supportable forecasts of future conditions over the contractual life of the receivable. Accounts are generally uncollateralized. Past-due status is based on contractual terms. Past-due accounts are not charged interest.

#### ***Unconditional Promises to Give***

Contributions are recognized when the donor makes an unconditional promise to give monies or other non-cash items to the Organization. The Organization uses the allowance method to determine the collectability of its unconditional promises to give. Management has determined that promises to give at December 31, 2024 and 2023 are fully collectible; therefore, no allowance for uncollectible accounts is considered necessary. At December 31, 2024 and 2023, all promises to give are expected to be collected within two years.

#### ***Inventories***

Inventory consists of food and other items on hand that are valued at an average donated per pound value as determined by Feeding America. During the years ended December 31, 2024 and 2023, the Organization received 8,010,377 and 7,867,981 pounds of donated product, respectively, valued at \$1.90 and \$1.97 per pound, respectively, based on information provided by Feeding America. At December 31, 2024 and 2023, 165,522 and 182,178 pounds were in inventory, respectively.

# Northwest Arkansas Food Bank

## Notes to Financial Statements December 31, 2024 and 2023

The Organization is part of the United States Department of Agriculture (USDA) commodities program. Under this program, the Organization distributes food to designated food pantries on behalf of USDA. During the years ended December 31, 2024 and 2023, the Organization received 2,034,062 and 1,700,786 pounds of commodities from USDA, respectively. The products were valued at \$1.02 (Commodity Supplemental Food Program) and \$1.19 (The Emergency Food Assistance Program), and \$0.97 (Commodity Supplemental Food Program) and \$1.34 (The Emergency Food Assistance Program), respectively, based on information provided by the USDA commodities program. At December 31, 2024 and 2023, 244,499 and 176,565 pounds were in inventory, respectively.

Inventory that is purchased is valued at cost. The Organization evaluates perishable products on a continuing basis for spoilage, and immediately records the loss of inventory when spoilage occurs. No provision for estimated spoilage of inventory has been made, as management believes all inventory will be sold prior to any spoilage.

### ***Property and Equipment***

Property and equipment are recorded at cost or at fair market value at date of donation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets, which range from three to forty years.

### ***Long-Lived Assets***

FASB Codification Topic *Property, Plant and Equipment*, Section *Subsequent Measurement* requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The application of this Codification Topic has not materially affected the Organization's financial position or results of operations.

### ***Net Assets and Contributions Revenue***

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions. The Organization recognizes contributions received and made, including pledges receivable, as revenue in the period received or made. Contributions received are reported as either revenues without donor restrictions or revenues with donor restrictions. Contributions with donor restrictions that are used for the purpose specified by the donor in the same year as the contribution is received are recognized as revenues with donor restrictions and are reclassified as net assets released from restrictions in the same year. Promises to contribute that stipulate conditions to be met before the contribution is made are not recorded until the conditions are met.

Gifts of land, buildings, and equipment are presented as support and revenue without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Gifts of financial assets, such as donated stock, are converted nearly immediately into cash without limitation or restrictions on sale. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

# Northwest Arkansas Food Bank

## Notes to Financial Statements December 31, 2024 and 2023

Contributed services which increase non-financial assets such as property or inventory, as well as services contributed by individuals with specialized skill which would have otherwise been purchased, are reported as unrestricted support. Other contributed services that enhance the Organization's programs, but are not so essential that they would otherwise be purchased, are not recorded as support.

### ***Revenue Recognition***

Cost-reimbursable federal and state contracts and grants are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the Statements of Financial Position. The Organization recognizes contributions when cash, an unconditional promise to give, donated product, or a notification of a beneficial interest is received. Shared maintenance fees are recognized when the performance obligation of providing the product is satisfied.

### ***Shared Maintenance Fees***

During the years ended December 31, 2024 and 2023, some of the food and grocery products distributed by the Organization to its member agencies are assessed a shared maintenance fee of up to \$0.09 per pound to assist in on-going operating costs of the Organization.

### ***Advertising Costs***

The Organization expenses advertising costs as they are incurred.

### ***Functional Allocation of Expenses***

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated based on the amount of time expended.

### ***Income Taxes and Uncertain Tax Positions***

The Organization qualifies as an organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar state statute and is not subject to tax at the entity level for federal and state income tax purposes. The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a).

The Organization accounts for uncertain tax positions in accordance with the provisions of FASB Codification Topic *Income Taxes*. FASB Codification Topic *Income Taxes* clarifies the accounting for uncertainty in income taxes and requires the Organization to recognize in their financial statements the impact of a tax position taken or expected to be taken in a tax return, if that position is more likely than not to be sustained under audit, based on the technical merits of the position. Management has assessed the tax positions of the Organization and determined that no positions exist that require adjustment or disclosure under the provisions of FASB Codification Topic *Income Taxes*. The Organization files informational "Return of Organization Exempt from Income Tax" in the U.S. federal jurisdiction.

# Northwest Arkansas Food Bank

## Notes to Financial Statements December 31, 2024 and 2023

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### ***Reclassification***

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

### ***NOTE 3: CONCENTRATIONS OF RISK***

The Organization uses financial institutions in which it maintains cash, which at times may exceed the FDIC insured limit of \$250,000. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant risk on cash. At December 31, 2024 and 2023, the Organization had no uninsured or uncollateralized cash.

During the years ended December 31, 2024 and 2023, two unrelated organizations provided 23% and 27% of the Organization's contributions and grants, respectively. At December 31, 2024 and 2023, two donors made up approximately 92% and 83%, respectively, of total unconditional promises to give.

At December 31, 2024, one customer made up approximately 17% of total accounts receivable, and no such concentration existed as of December 31 2023.

### ***NOTE 4: UNCONDITIONAL PROMISES TO GIVE***

Unconditional promises to give at December 31, 2024 and 2023 are as follows:

	<u>2024</u>	<u>2023</u>
Receivable in less than one year	\$ 804,931	\$ 1,000,963
Receivable in 1-2 years	554,930	1,400,964
	<u>\$ 1,359,861</u>	<u>\$ 2,401,927</u>

The unconditional promises to give balance is comprised primarily of promises to give from board members and external donors. The Organization considers the balance to be fully collectible. Accordingly, no allowance for uncollectible promises to give is deemed necessary.

# Northwest Arkansas Food Bank

## Notes to Financial Statements December 31, 2024 and 2023

### NOTE 5: PROPERTY AND EQUIPMENT

Major classifications of property and equipment are summarized below:

	2024	2023
Property and equipment subject to depreciation:		
Buildings and improvements	\$ 23,921,719	\$ 68,485
Construction in progress	19,126	17,541,235
Equipment	982,221	389,973
Office furniture and equipment	491,552	254,480
Vehicles	1,095,858	1,081,447
	26,510,476	19,335,620
Accumulated depreciation	(1,996,931)	(1,286,265)
Land	488,766	488,766
	<u>\$ 25,002,311</u>	<u>\$ 18,538,121</u>

The Organization completed and placed into service the new warehouse facility on June 17, 2024, with a final cost of approximately \$22,500,000.

### NOTE 6: DESIGNATED NET ASSETS

At December 31, 2024 and 2023, the Organization's Board of Directors has chosen to designate net assets without donor restrictions for the purpose of food purchases of \$4,776,671 and \$8,968,558, respectively.

### NOTE 7: NET ASSETS WITH DONOR RESTRICTIONS

At December 31, 2024 and 2023, net assets with donor restrictions consisted of the following:

	2024	2023
<b>Purpose restrictions:</b>		
Facility and other programs	\$ 847,860	\$ 742,404
Garden	5,000	2,500
Salaries and benefits	-	53,350
Various food programs	848,572	352,194
<b>Time restrictions</b>	<u>1,359,861</u>	<u>2,401,927</u>
	<u>\$ 3,061,293</u>	<u>\$ 3,552,375</u>

# Northwest Arkansas Food Bank

## Notes to Financial Statements December 31, 2024 and 2023

### **NOTE 8: RETIREMENT PLAN**

The Organization adopted a Simple IRA plan effective January 1, 2012. Employees who have been employed at the Organization for sixty days are eligible to participate. The Plan allows employees to contribute, through payroll deductions, to a retirement account and to direct those contributions among certain investment options. For the years ended December 31, 2024 and 2023, the Organization contributed 2% of compensation for each eligible employee, which totaled \$47,392 and \$40,974, respectively, included in "Labor costs" on the Statements of Functional Expenses.

### **NOTE 9: LIQUIDITY AND AVAILABILITY OF RESOURCES**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the Statements of Financial Position, comprise the following:

	<u>2024</u>	<u>2023</u>
Cash	\$ 5,058,694	\$ 7,107,725
Certificates of deposit	1,919,429	3,511,281
Accounts receivable	239,556	67,510
Unconditional promises to give	<u>1,359,861</u>	<u>2,401,927</u>
Total financial assets available within one year	8,577,540	13,088,443
Less amounts restricted by donors with purpose restrictions	1,701,432	1,150,448
Less amounts restricted by donors with time restrictions, excluding pledges receivable to be collected and available for use in one year	554,930	1,400,964
Less amounts designated by the board for food purchases	<u>4,776,671</u>	<u>8,968,558</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,544,507</u>	<u>\$ 1,568,473</u>

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization manages its liquidity and reserves following three guiding principles: operating with a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

### **NOTE 10: NONCASH INVESTING AND FINANCING ACTIVITIES**

During the year ended December 31, 2023, total property and equipment purchases were \$16,642,669. Of this amount, \$15,762,970 was paid in cash and \$879,699 was included in accounts payable at December 31, 2023.

# Northwest Arkansas Food Bank

## Notes to Financial Statements December 31, 2024 and 2023

### ***NOTE 11: COMMITMENTS***

In May 2021, the Organization entered into a contract for the architecture of the new facility warehouse for a maximum price of \$646,709 (see Note 5), which includes change orders. As of December 31, 2024, the Organization has incurred the total amount of the contract which is included in Property and equipment, net on the Statements of Financial Position.

In November 2022, the Organization entered into a contract for the design, engineering, and construction of the new facility warehouse for a maximum price of \$21,894,041 and is estimated to be completed in June 2024 (see Note 5). As of December 31, 2024, the Organization incurred the total amount of the contract which is included in Property and equipment, net on the Statements of Financial Position.

The Organization signed a line of credit on November 23, 2022, with a maximum advance of \$10,000,000, which is collateralized by building materials and supplies for the construction of the new warehouse facility (see Note 5). The Organization has not drawn from the line of credit as of December 31, 2023. The line matured on August 31, 2024, and was not renewed.

### ***NOTE 12: SUBSEQUENT EVENTS***

Management has evaluated subsequent events through August 27, 2025, the date that the financial statements were available to be issued.

## **Supplementary Information**

## **Notes to Schedule of Expenditures of Federal Awards Year ended December 31, 2024**

### ***NOTE 1: BASIS OF PRESENTATION***

The significant accounting policies used in preparing the Schedule of Expenditures of Federal Awards (the Schedule) are described in Note 2 to the accompanying financial statements. Revenue from Federal Awards detailed above is included in Donated product, Shared maintenance fees, and Grants in the Statements of Activities. The Organization has elected not to use the 10-percent de minimus indirect cost rate allowed under the Uniform Guidance.

### ***NOTE 2: NONCASH ASSISTANCE***

Noncash assistance recorded in the Schedule consists of food commodities donated by the USDA (Commodity Supplemental Food Program, or CFSP, ALN #10.565 and The Emergency Food Assistance Program, or TEFAP, ALN #10.569) and passed through the Arkansas Department of Education to the Organization. The donated food commodities are valued at the estimated fair value of \$1.02 (CFSP) and \$1.19 (TEFAP) per pound (as valued by Feeding America). The Organization's accounting policy for donated inventories is more fully described in Note 2 of the financial statements and follows accounting principles generally accepted in the United States of America.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
**Northwest Arkansas Food Bank**  
Lowell, Arkansas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of **Northwest Arkansas Food Bank** (a nonprofit organization), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated August 27, 2025.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses and significant deficiencies may exist that have not been identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Northwest Arkansas Food Bank**

Lowell, Arkansas

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "Landmark PLC". The word "Landmark" is written in a cursive style, and "PLC" is written in a more formal, blocky style.

Rogers, Arkansas

August 27, 2025

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE  
FOR THE MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors  
**Northwest Arkansas Food Bank**  
Lowell, Arkansas

**Report on Compliance for the Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited **Northwest Arkansas Food Bank's** (a not-for-profit organization) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each on the Organization's major federal programs for the year ended December 31, 2024. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2024.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

**Northwest Arkansas Food Bank**

Lowell, Arkansas

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

A handwritten signature in black ink that reads "Landmark PLC". The word "Landmark" is written in a cursive style, and "PLC" is in a more formal, blocky font.

## Schedule of Findings and Questioned Costs Year ended December 31, 2024

### I. SUMMARY OF INDEPENDENT AUDITOR'S RESULTS

1. The opinion expressed in the Independent Auditor's Report was:

☒ Unmodified   ☐ Qualified   ☐ Adverse   ☐ Disclaimer

2. The Independent Auditor's Report on Internal Control Over Financial Reporting disclosed:

Significant deficiency(ies)?                      ☐ Yes   ☒ None reported  
Material weakness(es)?                              ☐ Yes   ☒ No

3. Noncompliance considered material to the financial statements was disclosed by the audit?

☐ Yes   ☒ No

4. The Independent Auditor's Report on Internal Control Over Compliance with requirements that could have a direct and material effect on each major federal awards program disclosed:

Significant deficiency(ies)?                      ☐ Yes   ☒ None reported  
Material weakness(es)?                              ☐ Yes   ☒ No

5. The opinion expressed in the Independent Auditor's Report on Internal Control over Compliance with requirements that could have a direct and material effect on each major federal awards program were:

☒ Unmodified   ☐ Qualified   ☐ Adverse   ☐ Disclaimer

6. The audit disclosed findings required to be reported by the Uniform Guidance?

☐ Yes   ☒ No

7. The Organization's major programs were:

<u>Cluster / Program</u>	<u>Assistance Listing Number</u>
Food Distribution Cluster	10.565, 10.568 and 10.569

8. The threshold used to distinguish between Type A and Type B programs as those terms are defined in the Uniform Guidance was \$750,000.

9. The Organization qualified as a low-risk auditee as that term is defined in the Uniform Guidance?

☒ Yes   ☐ No
