

COMMEMORATIVE STATIONERY
TO PRESERVE

*Their
Memory*

“ The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart. ”

-Helen Keller

ALL ABOUT Signatures

Commemorative stationery is often one of the most important features of a memorial or funeral service. It preserves a legacy by giving friends and family something to touch, display and look back upon for years. It is an aid to remembering and healing.

We have a variety of different products that come in different designs. Choose the one that best captures the personality and legacy of your loved one. Or, ask us to create a custom piece that perfectly commemorates their uniqueness.

Something else in mind?

How Grateful
I WOULD BE TO HAVE JUST ONE MORE DAY
By Kathy J. Parnow

If I could have just one more day and wishes did come true, I'd spend every glorious moment side by side with you.

Recalling all the years we shared and moments we made, how grateful I would be to have just one more day.

When this day came to a close and the sun began to set, a million things I'd like to say I never will forget.

The heart of gold you left behind when you crossed Heaven's gate, how grateful I would be to have just one more day.
