

GENERAL PRICE LIST

These Prices are effective October 15, 2025, but are subject to change without notice.

The goods and services shown within are those we can provide to the families we serve. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list does not include prices for certain items that you may ask us to buy for you, such as grave openings, cemetery fees, flowers, newspaper notices, honorariums, death certificates, etc. The prices for those items will be shown on your statement as a non-funeral home charge.

The non-funeral home charges are due before the funeral service.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF AND OVERHEAD..... \$ 1,395.00

Our basic service charge includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; placement of obituary notices; planning of funeral arrangements; and coordination of service with cemetery, crematory, vault companies and others required.

Also included in this charge are overhead expenses relative to our facility such as professional licensing, legal and accounting fees, taxes, insurance, maintenance and utility expenses, secretarial and administrative cost, equipment and inventory expenses.

This fee for our basic services and overhead will be added to the total cost of funeral arrangements you select. (This fee is also included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

EMBALMING.....\$ 595.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have a right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial. If there is going to be a public funeral with the body present our funeral home policy requires either embalming (for open casket) or the use of a closed protective casket.
