Winter 2025

MAJOR UPGRADES AHEAD

To better serve our members, Frick Financial Federal Credit Union will be completing a core processing system upgrade at the end of March 2026. This upgrade is an important step forward in strengthening the way we support you every day. By enhancing our internal systems, we'll be able to offer improved technology, greater efficiency, and an overall better banking experience.

As part of this transition, we're also excited to roll out several new enhancements designed with you in mind. Some of the most noticeable updates will be our brand-new, modern website along with a new mobile banking app, built to make managing your finances easier, faster, and more convenient.

These improvements reflect our ongoing commitment to grow, evolve, and provide the high-quality service our members deserve. We're grateful for your continued trust in us and look forward to sharing these exciting updates with you as we move into this next chapter together.

UPCOMING CLOSURE

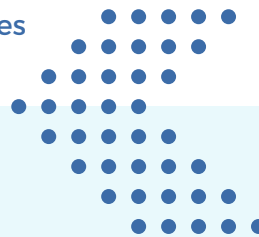

Frick Financial Federal Credit Union will be CLOSED on Monday, March 30, and Tuesday, March 31, 2026, to complete our system conversion.

During this transition period, access to online banking, mobile banking, and certain electronic services will be temporarily unavailable. We encourage members to plan ahead for their financial needs prior to the closure dates to help minimize any disruption.

REOPENING

We look forward to welcoming members back on **Wednesday, April 1, 2026**, for our reopening and the launch of our upgraded system.

We appreciate your patience and understanding as we complete this important upgrade. These enhancements will strengthen our ability to deliver secure, reliable, and convenient financial services for years to come.

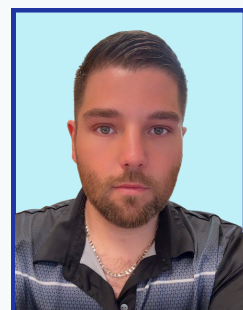

We'll Miss You, Jenny!

We are honored to celebrate Jenny as she embarks on her well-deserved retirement! Since joining Frick Financial in 2012, Jenny has become a familiar and welcoming face to our members. Many of you know her by name, and she has built lasting relationships with those she helps. Her dedication, kindness, and steady presence have left a lasting mark on our credit union, and she will be missed by both our team and our members. Please join us in wishing Jenny all the very best as she enjoys this exciting new chapter in her life!

Meet Our Team

Michael King

We're excited to welcome Michael King back to Frick Financial following our recent merger with APS Federal Credit Union. Many of you may remember Michael from his time with us between 2015 and 2018, when he served as a Member Service Representative in Uniontown and later as a Loan Officer in Washington. Now, Michael returns in a new role as Manager of Operations, and we couldn't be happier to have him on the team again. Michael brings a wealth of experience, including serving as CEO of APS Federal Credit Union, where he guided the organization through important growth and change. He's passionate about streamlining processes, supporting our employees, and helping members get the most out of their financial journey. Outside of work, Michael enjoys exploring the world of finance, cars, and technology. Whether it's the latest gadget, a new financial idea, or something with an engine, you can count on his curiosity and energy.

Ryan Gallagher

Man first stepped on the moon on July 20, 1969. Exactly ten years later, on July 20, 1979, Ryan was born. As Ryan likes to claim some still debate as the more significant milestone for mankind. We are excited to welcome the newest member of the Frick Financial family, Ryan, who joined the credit union on January 2, 2025. Originally from Bethel Park, Ryan earned his MBA and discovered his passion for banking. During the 2009 housing market crisis, he traveled across the country helping homeowners remain in their homes an experience that deeply shaped both his career path and his commitment to serving others. Ryan is enthusiastic about this new chapter and proud to be part of the Frick Financial team. He looks forward to his new endeavors and is honored to join the Frick family.

Looking Ahead To A Bright 2026

Thank you for being a valued member of our credit union. We sincerely appreciate your continued trust and loyalty. As we welcome the new year, we wish you and your family good health, happiness, and continued success. It is our privilege to serve you, and we look forward to supporting your financial goals in the year ahead.

WINTER GEAR DISTRIBUTION

This year, we joined our community in collecting supplies for Growing Up Greene's 6th Annual Winter Gear Distribution. The mission of this drive is to ensure every child has the winter essentials they need to stay warm. Thanks to the generosity of donors throughout the county, Growing Up Greene provided winter gear to 1,041 children this year. At Frick, we collected hats, scarves, socks, and gloves to contribute to the effort. We are incredibly grateful to everyone who donated and supported this meaningful cause. Thank you to our community for coming together, and thank you to Growing Up Greene for organizing programs that make such a positive impact.

TOYS FOR TOTS

Our Toys for Tots bins were overflowing this holiday season! Thanks to the generosity of our members, we were able to donate a remarkable number of toys to the Toys for Tots program. Operated by the U.S. Marine Corps Reserve, Toys for Tots works each year to bring holiday joy to children in need. We sincerely appreciate everyone who contributed. Your kindness and compassion make a meaningful difference in the lives of the children who receive these gifts.

FILING YOUR 2025 TAXES

As 2025 comes to a close, it's a great time to start gathering everything you'll need to file your taxes. Having your documents organized can make the process faster, easier, and help you avoid missing any important deductions or credits. Key items to collect include:

- Income documents: W-2s, 1099s, and any other statements showing income you received.
- Bank and investment statements: 1099-INT, 1099-DIV, and year-end statements for interest, dividends, or capital gains.
- Deductible expenses: Receipts or records for mortgage interest, medical expenses, charitable donations, and business-related costs if applicable.
- Other relevant documents: Social Security statements, education-related forms (like 1098-T), and health insurance information.

You can still make final contributions to your IRA for the 2025 tax year up until you file your federal income tax return. This is a great opportunity to maximize your retirement savings and potentially take advantage of tax benefits before the deadline. If you have questions or would like assistance with making a contribution, our team is happy to help.

SIGN UP FOR ESTATEMENTS

As of December 1, 2025, a modest \$3 monthly fee now applies to paper statements. To avoid this fee, you can switch to **FREE** eStatements through our online or mobile banking. Online banking provides a faster and more convenient way to access your account information.

Enrolling is easy: simply log in, go to "Statements," and select eStatements.

If you have any questions or need assistance setting up eStatements, our team is happy to help, stop by any branch, call us at 800-SAY-FRICK, or email info@frickfin.org.
