

Dr. J. Krul

English: [next page](#)

Jan Krul PhD MScN BN BEd is gezondheidswetenschapper. Zijn initiële beroepsopleiding is verpleegkundige, met specialisaties acute zorg, sportgezondheidszorg en psychiatrie. Hij voltooide MO-Pedagogiek (differentiatie onderwijskunde), behaalde zijn Master of Science-graad aan de University of Wales, waarin hij aan de School of Healthcare Studies (Nursing Faculty), verplegingswetenschappen en verpleegkundige educatie combineerde en promoveerde tot doctor aan de Faculteit Geneeskunde van de VU Amsterdam op onderzoek naar drugsincidenten en acuut-ambulante zorg.

In dienst van EducareGroningen was hij de pionier in professionele evenementenzorg in NL en opereerde als Chief Medical Officer bij honderden evenementen. Voorts was hij medisch coördinator bij verschillende sportorganisaties, docent bij diverse zorg-/onderwijsinstellingen en stafadviseur crisismanagement in het UMC Groningen.

In 2010 besloot hij zich vooral te richten op evenementenzorg en drugsincidenten.

Zijn actuele werkzaamheden zijn:

- Landelijk hoofdopleider Drugsincidenten en EHBDu
- Zelfstandig consultant gezondheidsbescherming, docent en onderzoeker
- Lid begeleidingscommissie “Unity”, landelijk preventieproject alcohol & drugs
- Casemanager sportgezondheidszorg.

Zijn emailadres is JK@EducareGroningen.nl. Telefonisch is hij bereikbaar via voicemailnummer 050-3120283.

Jan Krul PhD MScN BN BEd is a health scientist. His initial vocational training is a nurse, specializing in emergency care, sports health and psychiatry. He completed MO Pedagogy (differentiation of educational sciences), obtained his Master of Science degree from the University of Wales, in which he combined Nursing Sciences and Nursing Education at the School of Healthcare Studies, and obtained his PhD at the Faculty of Medicine of the VU Amsterdam on research into drug incidents and acute outpatient care. Employed by EducareGroningen, he was the pioneer in professional event care in the Netherlands and acted as Chief Medical Officer at hundreds of events. He was also a medical coordinator at sports organizations, a teacher at various healthcare/educational institutions and a crisis management staff advisor at the University Medical Center Groningen.

In 2010 he decided to focus mainly on event health management and drug incidents.

His current activities are:

- National head trainer Drug Incidents and emergency care
- Independent health protection consultant, teacher and researcher
- Member of the advisory committee “Unity”, national alcohol & drugs prevention project
- Case manager sports health care.

His email address is JK@EducareGroningen.nl. He can be reached by telephone via voicemail number +31503120283.
