

As a valued business in our community, the McDaniel-Tichenor House is honored to invite you to partner with us for The Governor's Gala – A Southern Elegance Preservation Benefit on September 24, 2026 at The Sage Room located at 601 South Madison, Suite B, Monroe, Georgia 30655. We believe that your support would play a meaningful role in making this evening a success while demonstrating your commitment to preserving and celebrating our state's history.

The Governor's Gala is our premier fundraiser supporting historic preservation, educational programs, and the continued care of the beloved McDaniel-Tichenor House. This event will welcome guests for a seated dinner, music and both a silent and live auction – all in support of preserving one of Georgia's most treasured landmarks.

Your sponsorship places your organization among respected community leaders who value history, education, and civic pride. It also provides prominent recognition before, during, and after the event.

We would be honored to partner with you in making this remarkable evening possible. Enclosed you will find sponsorship opportunities and benefits.

With sincere appreciation,

Libby Ferguson  
Director of Special Events

The McDaniel-Tichenor House  
319 McDaniel Street, Monroe, Georgia 30655
