STAINLESS COLLECTIONS

M SERIES

The M Series sinks are available to you in 16 and 18 gauge. All stainless steel sinks come fully-coated with spray insulation and includes sound-dampening padding. They all have a brushed finish. Beyond those key features, which ensure you're looking at a quality sink, the rest is based on preference and budget. With numerous configuration styles available, we have all of your needs covered.

GRANITE COMPOSITE

GRANITE COMPOSITE COLLECTIONS

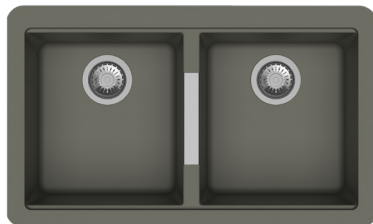

ATHOS SERIES

Say hello to our private label line of sinks: The Athos Series. These sinks are made from a blend of natural granite stone and high-quality acrylic resin. This material is highly resistant to scratches, stains, and chips, making it a durable and long-lasting option for kitchens. SOCI offers a variety of styles and colors. They are known for their easy-to-clean surface and resistance to fading and discoloration. Additionally, granite composite sinks are heat-resistant, making them ideal for cooking and food preparation.

FIRECLAY COLLECTIONS

FIRECLAY COLLECTIONS

ASPEN SERIES

Known for their popular classic look, the Aspen Series is a collection of fireclay sinks that are made from a mixture of clay and glaze that is fired at high temperatures to create a durable and strong material. SOCI offers five different styles each providing a hard, smooth surface that is resistant to stains and scratches.

VITREOUS CHINA COLLECTIONS

RECTANGLE SERIES

The Rectangle Vitreous China sinks are formed by firing a mixture of clay, feldspar, and quartz at high temperatures to create a hard, non-porous surface. They can be mounted in several ways including undermount or drop-in. Rectangle sinks are popular for their modern, sleek look and their practicality for everyday use.

ACCESSORIES

SOCI offers a comprehensive selection of sink accessories designed to ensure the secure installation and longevity of kitchen and bathroom sinks. Their product range includes essential items like sink brackets, dishwasher brackets, and slot klips, which provide stable support for various sink setups.

Additionally, sink clips and LC brackets add extra reinforcement, ensuring a secure fit. SOCI also supplies latex silicone, polyester adhesive, and acetone for reliable sealing and bonding, helping to maintain water resistance and durability. To protect countertops during installation or renovations, their counter film offers a practical solution, safeguarding surfaces from damage. These accessories reflect SOCI commitment to quality and precision in every installation.

Pricing applies to all deliveries by 5pm. Restricted receiving hours may have additional fees apply.

Effective January 1, 2024.

SOCI RETURN POLICY

SOCI prides itself on its customer service and product offering. Customer satisfaction is very important to us, and we want to ensure each customer is pleased with their purchase. If for some reason you find yourself disappointed with your purchase and the item does not fall within the parameters of the product warranty, the following policy is in place:

- 1-30 days: 25% restock fee
- 31+ days: No returns, no exceptions

*Note - days from shipment date

Please note that material must be suitable for resale, in original packaging with no additional labels or markings on the branded packaging, and shipped at the customer's expense. Installation constitutes acceptance and SOCI is not responsible for labor costs associated with removal and reinstall. No returns are accepted on discontinued material.

Please contact returns@soci.design to begin the returns process.

For all returns, a Return Authorization will be provided once the claim has been approved. Our returns team will advise if the items are to be shipped back to the SOCI Warehouse or destroyed on-site. All Return Authorizations (RMA) are only valid for 30 days. All return shipments must be packaged safely and securely to ensure no damage in transit. Any returns received without a Return Authorization will not be processed. Shipment notifications including a tracking/PRO number must be sent to returns@soci.design. The return shipment must include the RMA number in the reference field as well as a copy of the Return Authorization with the physical shipment. A similar packing list which references the RMA on it can also be used in place of a copy of the Return Authorization.

If replacement material is required, replacement orders will be processed once the return authorization has been provided. Please note that shade replacement or material availability cannot be guaranteed.

Once returned items have been received, or upon authorization of on-site destruction, a credit memo will be added to the customer account. Customers are to advise SOCI Accounts Receivable, ar@soci.design, on how to apply the credit.

For any questions regarding this process, contact returns@soci.design.

SOCI LIMITED SINK WARRANTY

SOCI prides itself on its customer service and product quality and therefore warrants that all its products are free of manufacturer defects under normal use and proper care. If defects are found, they are to be reported immediately including clear images of the defect. SOCI reserves the right to inspect any sink that has been reported to be defective prior to the replacement of the sink. Additionally, SOCI warrants to the original purchaser only that it will provide replacement material or refund at our discretion of any product that fails to meet any of the requirements listed in this policy.

Limited Quality Warranty:

Should any SOCI product fail due to a manufacturing defect, SOCI will replace the defective product pieces as it deems fit with an equivalent replacement (excluding labor and transportation). The product in question must have been solely used in a residential setting. This warranty will not cover any damages which might be caused by this product (some states do not allow such limitation, so this reference may not apply to you). Product coverage periods listed below begin from date of purchase. For any product not listed, the SOCI standard return policy applies. This warranty is non-transferable and shall not apply to damage arising from any of the following:

- Accidents, negligence, abuse or misuse
- Improper installation
- Improper care or maintenance
- Exposure to extreme temperatures
- Scratch, impact or cutting
- Modifications to product
- Freight damages
- Improper use of abrasive cleaning products including scouring pads
- Damages caused by placing hot pans directly into the sink
- Staining caused by standing water

VISUAL DEFECTS

Damages, shortages, and/or other receiving discrepancies must be reported upon receipt. Any damages not reported upon receipt must be repaired or replaced at the customer's expense. Please refuse the shipment if there is obvious damage to the outside packaging or if you suspect the product is damaged and contact SOCI immediately at returns@soci.design to begin the claim process. Our team will provide a Return Authorization number and instructions on how to proceed. Installation of any SOCI product constitutes a declaration that product has no visual defects.

COVERAGE PERIODS

ATHOS GRANITE COMPOSITE - LIMITED LIFETIME WARRANTY

STAINLESS STEEL - LIMITED LIFETIME WARRANTY

VITEROUS CHINA - LIMITED ONE YEAR WARRANTY

FIRECLAY - LIMITED ONE YEAR WARRANTY

Committed to Sustainability

At SOCI Design, we embrace our responsibility to protect the planet and its precious resources. We hold the same standard for our suppliers and trade partners and work alongside to ensure that they adhere to maintaining and improving their standards.
