# OUR PROMISE

---

We are one of the select firms in the Cincinnati area that own and operate their own cremation center, assuring every family that the cremation process will be carried out diligently and respectfully.

## **Some differentiating factors for the Tufts Schildmeyer Family of Services**

1. We send our own trained and qualified staff to receive your loved one into our care.
2. We own and operate our own cremation facility that is regulated and operated by licensed operators.
3. Once in our care, your loved one will never leave our care.
4. We reward our staff based on the satisfaction of the families we serve, not on sales.
5. We have been family owned and operated since 1840 and continue that personal family excellence and compassion.
6. Our licensed directors are trained and experienced. Our licensed staff combines for over 180 years of experience. We assure quality for your family.
7. We care for people with financial hardships. Encourage those you serve to be candid and direct, and we will do our best to stay within their means.
8. We are proud to be family owned by the Tufts Schildmeyer family and are not beholden to stockholders or investors. Rather, we are focused on continuing to earn the long term confidence of our community.

*This is a time to cherish.  
It's a time to come together  
in tribute and thanksgiving.*

*And to memorialize for all time,*

*The gifts of one precious  
Life.*
