# Professional DEVELOPMENT

## Directors Tips, Tools & Strategies

This Professional Development session will provide Directors with strategies to successfully navigate through the challenges leaders often face as providers of early learning. Directors will learn ways to support and develop their staff as well as improve their overall program. Q & A session is included!

After the session, you will receive a certificate of completion.

**This 1-hour in-service training counts toward your local & state childcare licensing annual in-service training requirements.**
