RENOVATION UPDATE

Our new **Ladies' bathrooms** are progressing well and are **on track for completion by the start of Term 2**. Next on the renovation list will be the Male bathrooms, as we continue improving the facilities across the club.

We're excited to share the first stage of our renovations with you and hope you're just as excited to see the transformation taking shape.

New exciting area for a **photo booth** to be set up for all your first day photos in week one of Term 2.

At 360 Fitness Learn to Swim, we are committed to best practice and a safe, supportive environment for all families. Please remember:

-  A responsible adult must accompany each child to their lesson and remain on pool deck for the duration of the class.
-  Children must be walked into the centre by a supervising adult.
-  Our Aquatic Centre is a photo-free zone to protect the privacy & safety of all children. We understand first lessons are special, so please look out for details about our Photo Booth in Term 2.
-  Please stay attentive during lessons so you can assist with toilet breaks & receive important feedback from instructors if needed.

360 FITNESS CLUB CRÈCHE

Did you know that 360 fitness club has a crèche that caters for children 6 weeks old to 12 years of age. It is **FREE for members of the gym** and has a small cost of \$5 if you are not a member. The crèche is a great option for children who do not want to sit on deck and watch as they can go and play with other children in a safe and friendly environment.

- 1** Please be aware that as a parent or carer you are required to be available throughout your child's lesson, and especially to be on pool deck at the end of their lesson.
- 2** WE ASK FOR YOUR CHILDS SAFETY YOU DO NOT ENCOURAGE THEM TO GET INTO THE POOL BEFORE THE INSTRUCTOR CALLS THEM OVER TO THEIR LESSON.
- 3** In accordance with Office of the Children's Guardian Guide to Child Safe Standards no photos or videos may be taken within our Aquatic Centre. We understand that families may want photos of their children learning to swim, however, in group classes there is a real danger of identifying foster children or children at risk to third parties.
- 4** For the children's safety, parents are to walk in with their children. No child will be let into learn to swim without a parent.

'Thanks for a fantastic Term 1 & here's to a brilliant Term 2!'
- Crystal Vera & Emma Charlesworth
